Contract for Temporary Personnel Staffing Services

MAXIMUM CONTRACT PERIOD: July 1, 2015 – JUNE 30, 2020

The Materials Management Office has established sources for temporary personnel staffing services as listed herein for Using Governmental Units (UGUs) including all State agencies and local public procurement units within the geographic limits of the State of South Carolina. This does not require the State to use only private temporary personnel agencies when seeking temporary personnel. The State may choose to provide temporary personnel services for UGUs. Purchases by local procurement units are optional. Contractors are available for each county within the State. Contractor will be placed on a qualified provider list that Using Governmental Units (UGU) will utilize when seeking temporary personnel services. Being placed on the qualified provider list does not guarantee that a contractor will be asked to supply temporary personnel.

Awards are made to all responsive and responsible bidders to the state's request for competitive fixed price bidding. The minimum pay rate per hour for each position is listed herein. A **40% maximum mark-up on white collar positions and a 45% maximum mark-up on blue collar positions** are permitted on each position for the fixed price rate allowed under this contract as shown.

During the term of the contract, the state may add additional contractors semi-annually to the approved provider list upon verification of the contractor's qualifications as mandated by the state.

Each contract has been assigned a contract number and this full contract number should be used when the voucher is sent to the comptroller general for payment to assure prompt processing. Contractors should also put the contract number on all invoices.

This information should be passed to the appropriate sections of your agency or unit. Do not hesitate to call this office if there are any questions.

When using a contractor, UGUs will contact a contractor to service their area/location to fill the UGUs need for temporary personnel for the job position desired. If the contractor is not able to fill that need (the inability must be documented), the UGU will refer to another contractor for service. This procedure will be utilized for each job position needed.

Temporary personnel may only be initially assigned to the UGU for a maximum 12 month period. After that, the temporary personnel may be extended for an additional 12 months more in that same job position with UGU approval.

The State has established a list of temporary personnel service job positions and accompanying job descriptions (See below). For job positions needed and not defined in this bid, the UGU will procure for that need in accordance with the South Carolina Procurement Code. **New job positions and the accompanying job descriptions may not be added to the contract by the contractor or UGU. Only the Materials Management Office may add additional positions and accompanying job descriptions.**

The State has also established a **minimum** hourly pay rate for these job positions (See below). Contractors will invoice the State at the hourly pay rate plus the mark-up percentage. UGUs may request that temporary

personnel be paid a higher wage than listed in the bid (minimum pay rate – see below). If the UGU requests a higher wage be paid, the contract provider will invoice utilizing the requested wage plus their mark-up.

UGUs may request interviews with temporary personnel prior to assignment. These interviews will be at the contractor's expense. Interviews will be no longer than one (1) hour in duration.

Depending on the UGU, the temporary personnel may be asked to sign information security documents, confidentiality documents, acceptable use policies, and access agreements. This does not construe any employment agreement.

It is understood and agreed that any temporary personnel assigned to the UGU is an employee of the contractor and all wages, vacation/holiday pay, insurance and taxes relating to their employment is the responsibility of the contractor.

The temporary personnel must be W-2 employees of the contractor and not 1099 employees ("1099" is the reporting form used to document income paid to a person who is operating as an unincorporated business, IE, as a sole proprietor [the default mode of operation if you do contract work and you don't set up an LLC, a corp, etc]).

Compliance with the Affordable Care Act (42 U.S.C. §18001 *et.seq* (2010)) and its related regulations is the sole responsibility of the Contractor and its employees. The State, its political subdivisions and other using entities shall have no responsibility for any payment or cost associated with required contributions, fees, charges, penalties or other payments which are required to be paid by Contractor or the State or its political subdivisions for Contractor's employees for any coverage made available or required to be offered and procured by any employer under the Act.

Contractor further agrees that it will hold the State, its political subdivisions and other using entities harmless and will fully indemnify the same for any charges, fees, penalties, interest or any sum or cost whatsoever arising from its use of Contractor's employees pursuant to the contract for temporary personnel staffing services, now or in the future, including for compliance under the Act.

The Materials Management Office reserves the right to terminate any contract where the contractor is unable to meet payroll demands or where payroll checks are returned due to "insufficient funds".

Contractor will perform screening to ensure that the temporary personnel have the skills necessary to perform all duties listed in the position description for the assignment which they are being submitted. This screening must be performed prior to the assignment.

Contractor will conduct a criminal history background check for its employees working under this contract and provide the UGU with the documentation prior to the assignment's start date. The scope will be nationwide and, at a minimum, must include federal, state, and county records for all states where the Contractor's employee has resided in the past seven years and a sex offender registry check.

Assignments may require a drug screening before and during assignment. If the UGU determines it is necessary and requests , the Contractor will conduct a drug screening and confirm a negative drug screen to the UGU. The minimum drug screening requirement is the US Department of Health & Human Services 5-panel DOT screening.

Contractor will be responsible for conducting both checks in accordance with the Fair Credit Reporting Act (FCRA), including all of its notification requirements. The UGU will notify the Contractor if a report will render Contractor's employee unacceptable for the assignment, so Contractor may also comply with FCRA's notice requirements before and after taking adverse action. Contractor should redact sensitive data, including social security numbers and dates of birth, prior to sending documentation to the UGU. The prices a UGU will be billed for a drug screening should be included on the bid schedule.

Contractor must offer timely follow-up service to ensure satisfactory performance of all temporary personnel. Any temporary personnel found to be unsatisfactory within forty-eight (48) hours (2 working days) of assignment will be replaced at no expense to the UGU.

As an option, contractor may provide web-based time sheets and record keeping systems. Any web based system should include on-line invoicing as well as access to prior invoices and payment status. If not using a web-based time sheet/record keeping system, contractor will not invoice the UGU until a signed, original time sheet is received. Only certain authorized UGU Full Time Employees (FTE) may approve temporary personnel time sheets. These authorized UGU FTEs will be identified at the beginning of any assignment. Time sheets may not be approved by any temporary staff.

Contractor will not invoice based on faxed/copied time sheets or time sheets signed by unauthorized individuals. Invoicing shall be in accordance with the standard procedures of the individual contractor.

If the UGU plans to hire temporary personnel as a state employee, the UGU will retain the temporary personnel placed by the contractor on the contractor's payroll for a minimum of thirty (30) calendar days prior to hiring the temporary personnel as a state employee, unless the contractor and UGU agree otherwise.

UGU will utilize temporary workers a minimum of four (4) hours per assignment. Any hours worked over forty (40) hours within one (1) week will be considered overtime. A week runs from Sunday to Saturday when calculating overtime. Overtime must be verified by the UGU prior to billing.

Both the UGU and contractor will have the right to refuse to rehire former temporary personnel who are considered unsuitable. Contractor will also verify that any temporary personnel who have previously worked for another temporary personnel staffing agency have not been let go from any previous assignment with the State.

Temporary personnel must have a current, valid State Driver's License in order to drive a UGU vehicle. Contractor will be responsible for any traffic citation that the temporary personnel receives while driving a UGU vehicle.

Contractor is required to have available testing and training services to improve existing skills of current temporary personnel and/or measure skills of potential temporary personnel for white collar positions. Testing services must measure, at a minimum, speed, accuracy and proficiency. Training services provided by contractor must teach proficient use of basic functions and current skills.

Contractor will assign an on-site coordinator who is a full time employee of the contractor (who will be paid as a temporary worker) when an assignment requires ten (10) or more blue-collar temporary personnel (as requested by the UGU). This coordinator will be responsible for insuring that the requested numbers of temporary personnel are present and that all working conditions are acceptable. The contractor coordinator may be a working supervisor if agreed to by the UGU. Contractor, contractor on-site coordinators, and temporary personnel cannot supervise state employees or temporary personnel of other temporary personnel staffing agencies.

Advertisements and information given to temporary personnel by the contractor must accurately describe the position in writing.

Temporary Personnel may request copies from the contractor of all documents they sign for assignments.

Temporary Personnel may not benefit or profit from any assignment of temporary personnel related to this contract.
