Re: Appeal by Marine Propulsion, Inc.
Solicitation No. 5400009242
Diesel Engines for the South Carolina Department of Natural Resources
R/V Palmetto

Dear Mr. Black and Ms. Black:

The Panel received the request for review you filed with the Chief Procurement Officer on May 25, 2015. Under the Panel's filing fee proviso, which was included on page 5 of the Chief Procurement Officer's May 15, 2015 decision, the Panel will not accept an appeal unless it is accompanied by either (1) a check for the \$250.00 filing fee; or (2) a completed Request for Filing Fee Waiver form. (I have included a copy of the CPO's decision for ease of reference; please review the paragraph entitled "FILING FEE.")

The CPO's office did not receive a check or a completed waiver request form, and neither has the Panel. Therefore, the Panel will not accept Marine Propulsion's request for review.

Please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Christie M. Emanuel". The signature is written in a cursive style.

Christie M. Emanuel
