Club Car

CARRYALL
LOW-SPEED, STREET-LEGAL VEHICLES

CARRYALL

THE TRUSTED CARRYALL. NOW STREET LEGAL.⁽¹⁾

The most reliable and cost-effective utility vehicles in the industry have been equipped to be street legal on many roads posted at 35 mph or less.⁽¹⁾

But you won't sacrifice ruggedness for mobility. The Carryall 2 and Carryall 6 LSVs boast tough, dependable AC drive systems and 1/2 ton vehicle capacities for those demanding jobs.

Club Car LSV electric vehicles also provide environmental benefits for our customers. After all, we are the world's largest manufacturer and leader of zero emissions vehicles (or ZEVs). Our new AC drive, found in every Carryall LSV, emits zero emissions and provides the same power of a traditional gas vehicle while reducing your year-over-year vehicle operating costs.

Features⁽²⁾

Additional Features

- 25 mph (40.2 kph) top speed and 15 mph (24.1 kph) low speed when equipped with optional Smart Key™
- 950 lb. (430.9 kg) total vehicle capacity for Carryall 2
- 1250 lb. (567.0 kg) total vehicle capacity for Carryall 6
- 4-wheel hydraulic brakes with front disc and rear drum
- Three point safety belts
- Self-adjusting rack & pinion steering
- Safety glass windshield with wiper blade

⁽¹⁾ The vehicles referenced herein have been designed and manufactured to comply with the United States National Highway Transportation and Safety Administration's Low Speed Vehicle rules and regulations. The operation of these vehicles is also subject to all applicable state and local laws, the effect of which may be to further limit or prohibit the lawful operation of these vehicles in certain environments. Do not operate these vehicles without a valid and appropriate state-issued driver's license. Club Car supports only the safe and legal use of our products and therefore, strongly recommends that you inquiry with the relevant state and local municipalities before attempting to operate these vehicles on roadways or in closed communities. Do not operate these vehicles in violation of applicable law, contrary to the instructions or recommendations contained in the Owner's Manual or in a manner that impedes traffic. To reduce the risk of injury, always operate these vehicles in a safe and conscientious manner while wearing the seat belts that come as standard safety equipment on all Carryall LSV models.

⁽²⁾ All vehicles shown may include additional options/accessories and may not be available on all models. Ask your authorized Club Car dealer representative for a complete listing of accessories and availability.

⁽³⁾ There are no warranties, expressed or implied, contained herein. See Limited Warranty found in the owner's manual or write to Club Car, Inc. The company reserves the right to make design changes without obligation to make these changes on units or systems previously sold.
