Case No. 2001-9

Consent Order

This case came before the South Carolina Procurement Review Panel (Panel) for a hearing on November 8, 2001 on motion of Rawle Murdy Associates, Inc. (RM), Erwin-Penland, Inc. (EPI), and the South Carolina Lottery Commission (Education Lottery) to settle an appeal filed by EPI from the Chief Procurement Officer's decision. Present and participating in the hearing before the Panel were RM, represented by M. Elizabeth Crum, Esquire; EPI, represented by John Schmidt, III, Esquire; the Education Lottery, represented by Daniel T. Brailsford, Esquire, and the Chief Procurement Officer for Goods and Services (CPO), represented by Keith McCook, Esquire. Recognizing that a quorum of the Panel was not present when the hearing opened, the Chairman asked the parties if they objected to proceeding without a quorum. No objection was noted.

It appearing that all parties to this matter have agreed upon a mutually acceptable resolution, the attached settlement agreement is hereby approved and the Chief Procurement Officer's decision vacated.

IT IS SO ORDERED.
