Case No. 2005-3

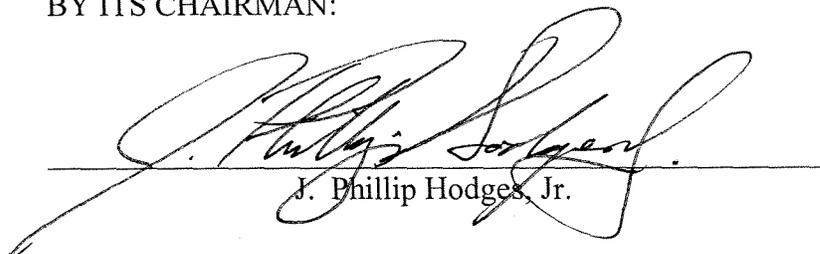

This matter is currently pending before the South Carolina Procurement Review Panel. This matter involves a protest filed by Learning Tools International after it was not awarded a contract to provide software and Internet technology for a development and data collection program for the South Carolina Department of Education. Pursuant to the protest, the Chief Procurement Officer affirmed the award to another vendor. Learning Tools International then requested a review before the Panel. A letter, signed by Cathy D. Zier, Vice President of Learning Tools International, was sent to the Panel on April 22, 2005, withdrawing the request for review. Therefore, having no appeal, it is hereby

ORDERED that this matter is dismissed with prejudice.

AND IT IS SO ORDERED.
