DIGEST

Claim for interest on unpaid contract balance denied where vendor failed to comply with terms of statute and regulations providing for interest.

BACKGROUND

On February 20, 2015, DTZ filed a request for resolution of a contract controversy with SCSU and the State of South Carolina alleging that they breached a contract with DTZ for facility management services by, among other things, failing to pay DTZ in accordance with the requirements of the contract. DTZ alleged that SCSU and the State owed DTZ in excess of \$4.2 million for goods and services provided under the contract. On March 2, 2015, SCSU responded to DTZ's claims. In its response, SCSU admitted that it "is indebted to DTZ in the approximate amount of \$3,533,088 as of February 27, 2015, and that this amount continues to accrue by the approximate amount of 402,000.00 [sic] on a monthly basis." On March 3, 2015, DTZ requested that the Chief Procurement Officer (CPO) enter "partial judgment" in favor of DTZ for the amount of its claim the SCSU did not dispute. On or about April 16, 2015, the State responded to DTZ's claims with a request to discharge the State from the contract controversy because the "State is not a party to the contract at issue."

On June 17, 2015, the CPO, pursuant to S.C. Code Ann. § 11-35-4230, heard oral arguments on the State's request to be discharged and DTZ's request for entry of "partial judgment" in favor of DTZ. On July 29, 2015, the CPO issued his decision on these two requests by granting the State's request to be discharged from the dispute and finding that "there is no dispute that, as of June 16, 2015, SCSU owes DTZ, on account of services provided pursuant to the contract between them, no less than five million three hundred ninety-nine thousand eight hundred ninety-five and 59/100 (\$5,399,895.59) Dollars."

At the time of oral arguments, invoices totaling \$68,585.71 were in dispute. However, on August 7, 2015, Mr. Burgess, attorney for SCSU, notified the CPO that SCSU no longer disputes invoices totaling \$29,036.46.

The following issues remain for the CPO to decide:

- 1) The amount, if any, SCSU owes DTZ on account of disputed invoices totaling \$39,549.25¹ [Ex. A]
- 2) The appropriate interest, if any, to be applied to amounts owed by SCSU and the total value of that interest as of the date of this decision.

DISCUSSION

DISPUTED INVOICES

On August 7, 2015, in response to the CPO's request for additional information, SCSU stated:

The university is still determining whether it will ultimately dispute an additional \$39,549.25 in invoices. It appears that at least some of these amounts will ultimately not be disputed.

SCSU provided no explanation why it might dispute some of these invoices. On December 2, 2015, the CPO sent the parties a scheduling directive. This directive provided the parties with an additional opportunity to update the CPO on the latest status of undisputed and disputed amounts SCSU owed DTZ and to provide supporting arguments and documentation. SCSU was to respond to DTZ's updated response by no later than January 8, 2016 but failed to respond. To date, SCSU has failed to provide an explanation of which invoices of those totaling \$39,549.25 are disputed and why. Therefore, the CPO can only find that the greater weight of the evidence is that SCSU owes DTZ an amount totaling \$39,549.25 on these invoices.

INTEREST

DTZ seeks a determination that SCSU owes it interest at the rate of fifteen per cent per annum on all past due amounts.² DTZ bases its claim for interest on S.C. Code Ann. §11-35-45 which states:

¹ In an email from Mr. Burgess, attorney for SCSU, dated August 7, 2015, Mr. Burgess notified the CPO that SCSU no longer disputes invoices totaling \$29,036.46 that were in dispute at the time of the June 17, 2015 hearing.

(A) All vouchers for payment of purchases of services, supplies, or information technology must be delivered to the Comptroller General's office within thirty work days from acceptance of the goods or services and proper invoice. After the thirtieth work day, following acceptance or the postmark on the invoice, the Comptroller General shall levy an amount not to exceed fifteen percent each year from the funds available to the agency, this amount to be applied to the unpaid balance to be remitted to the vendor unless the vendor waives imposition of the interest penalty.

(B) All agencies and institutions of the State are required to comply with the provisions of this section. Only the **lump sum institutions of higher education** are responsible for the payment of all goods or services within thirty work days after the acceptance of the goods or services and proper invoice, whichever is received later, and shall pay an amount **not to exceed** fifteen percent per annum on any unpaid balance which exceeds the thirty work day period, **if the vendor specifies on the statement or the invoice submitted to such institutions that a late penalty is applicable if not paid within thirty work days after the acceptance of goods or services.**

(C) **The Comptroller General shall issue written instructions to the agencies to carry out the intent of this section. All offices, institutions, and agencies of state government shall fully cooperate with the Comptroller General in the implementation of this section.**

(D) The thirty day period shall not begin until the agency, whether or not the agency processes vouchers through the Comptroller General, certifies its satisfaction with the received goods or services and proper invoice.

(emphasis supplied) SCSU disputes the amount claimed by DTZ noting that the Comptroller General's (Comptroller) written instructions issued pursuant to this section provide for simple interest at the rate of six and one quarter percent.

The authority to issue written instruction to carry out the intent of a statute necessarily includes the authority to interpret that statute. Pursuant to Section 11-35-45(C), the Comptroller has issued written instructions to the agencies to carry out the intent of 11-35-45. Relative to interest on late payments, these instructions state:

DISBURSEMENT REGULATIONS

LATE PAYMENT CHARGE REGULATIONS

MULTIPLE - SEE BELOW

² DTZ's interest claim is actually calculated on the basis of 1.25 percent interest compounded monthly not 15 percent per annum.

1. General

Effective January 1, 1983, the General Assembly mandated compliance of all State agencies with Section 11-35-45 of the South Carolina Code of Laws which is a component of the South Carolina Consolidated Procurement Code....

2. Policy

These regulations are promulgated by the South Carolina Comptroller General's Office and apply to all State agencies....

5. Current Interest Rate

Pursuant to Section 11-35-45, the current annual percentage rate established by the Comptroller General's Office on March 28, 1994 is 6.25%.

6. Interest Expense - Late Payment Charges

E. Commencing on the thirty-first (31) workday after delivery of goods or services and invoice to the agency, a daily finance charge (0.0171232%) will be assessed. This charge will cease when the invoice and voucher are received by the Comptroller General's Office.

P. Agencies currently operating with a "lump sum" status are also expected to comply with Section 11-35-45 of the South Carolina Code.

From the forgoing it is clear that the Comptroller under the authority granted him by Section 11-35-45 to issue instructions, has interpreted this section as giving him the authority to set the interest rate due on late payments and the only limitation on his authority to do so is the mandate that the rate set by the Comptroller cannot exceed fifteen percent per annum. Moreover, the Comptroller has set the interest rate at six and one quarter percent. This is simple interest which accrues on a daily basis until payment of the principal. See ¶6(E) of the Comptroller's instructions.

DTZ argues that as a lump sum agency SCSU is not subject to the Comptroller's instructions. The CPO disagrees. Section 11-35-45(B) requires SCSU to "comply with the provisions of this section." Section 11-35-45(C) requires all state agencies including lump sum agencies to "fully cooperate with the Comptroller General in the implementation of this section." Compliance and cooperation includes following the Comptroller's instructions. Neither SCSU nor any other agency can agree to an interest rate other than that prescribed by the Comptroller. The interest

rate set by the Comptroller is as binding on the CPO as it is on SCSU and applies to the payments which are the subject of this dispute. The maximum amount of interest any vendor may claim on undisputed and unpaid invoices which are more than thirty days past due is simple interest calculated at the per diem rate provided for in the Disbursement Regulations.

The CPO may only "award such relief as is necessary to resolve the controversy as allowed by the terms of the contract or by applicable law." S.C. Code Ann. §11-35-4320. Section 11-35-45(B) requires a vendor wishing to take advantage of this interest to specify "on the statement or the invoice submitted to such institutions that a late penalty is applicable if not paid within thirty work days after the acceptance of goods or services." Moreover, the contract between DTZ and SCSU states:

PAYMENT (JAN 2006)

(c) Payment and interest shall be made in accordance with S.C. Code Section 11-35-45. **Contractor waives imposition of an interest penalty unless the invoice submitted specifies that the late penalty is applicable.**

(emphasis supplied)

DTZ's invoices include the following statement at the bottom:

AN INTEREST CHARGE OF 1-1/2% PER MONTH WILL BE CHARGED ON
OVERDUE ACCOUNTS³

Therefore, the CPO must decide if DTZ's failure to include the statutory language on its invoices and its inclusion of an interest rate in excess of the statutory maximum rate is fatal to DTZ's claim for interest.

In addressing this issue, a review of the history of Section 11-35-45(B) is informative. This Section was first enacted in 1982 as a part of the Appropriations Act. 1982 Act No. 466, Part II, §9. As enacted, the relevant portions of this section stated:

(B) ... Only the lump sum institutions of higher education and the Department of Highways and Public Transportation shall be responsible for the payment of all goods or services within thirty work days after the receipt of the goods or services, whichever is received later and shall pay an amount not to exceed fifteen percent per annum on any unpaid balance which exceeds the thirty work day period.

³ In the documents submitted to support its claim, DTZ compounds interest monthly. A rate of 1.5% per month compounded monthly is the equivalent of an annual rate of 19.56%. If this rate is not compounded monthly, it is the equivalent of an annual rate of 18%. In either case, it exceeds the maximum statutory rate of 15% per annum.

In this form, this section did not require any notice “on the statement or invoice submitted to the lump sum institution.” This was changed by 1993 Act No. 178, §12, which modified this portion of Section 11-35-45(B) to include the bolded text below:

(B) ... Only the lump sum institutions of higher education are responsible for the payment of all goods or services within thirty work days after the receipt of the goods or services, whichever is received later, and shall pay an amount not to exceed fifteen percent per annum on any unpaid balance which exceeds the thirty work-day-period, **if the vendor specifies on the statement or the invoice submitted to such institutions that a late penalty is applicable if not paid within thirty work days after the receipt of goods or services.**

The CPO cannot find a case where the Procurement Review Panel (Panel) has interpreted Section 11-35-45(B) since it was modified in 1993. However, both the Panel and the Supreme Court have interpreted a similar provision related to interest on unpaid payments for construction. S.C. Code Ann. §29-6-50 states:

If a periodic or final payment to a contractor is delayed by more than twenty-one days or if a periodic or final payment to a subcontractor is delayed by more than seven days after receipt of periodic or final payment by the contractor or subcontractor, the owner, contractor, or subcontractor shall pay his contractor or subcontractor interest, beginning on the due date, at the rate of one percent a month or a pro rata fraction thereof on the unpaid balance as may be due. However, **no interest is due unless the person being charged interest has been notified of the provisions of this section at the time request for payment is made.**

(emphasis supplied) Before any interest is due, however, the contractor must meet the requirements of the statute. *Ellis Don Const., Inc. v. Clemson University*, 391 S.C. 552, 555, 707 S.E.2d 399, 401 (2011). For contracts subject to this provision, the Panel has held that an interest clause such as that found on DTZ’s did not comply with Section 29-6-50. *Appeal by McCarter Electric Co.*, Panel Case No. 1992-21. In the same decision, the Panel ruled that a statement on an invoice that claims interest in excess of the statutory amount is insufficient notice. *Id.* For the reasons articulated in *Ellis Don* and *McCarter Electric*, the CPO finds DTZ failed to comply with the notice requirement of Section 11-35-45 and thus is not entitled to interest on its claim.⁴

⁴ Even if the legend on DTZ’s invoices complied with the notice requirement in § 11-35-45, DTZ would only be entitled to recover simple interest at 6.25%. DTZ’s counsel provided a spreadsheet detailing the dates and amounts of invoices and payments. It calculated interest at an effective annual rate exceeding 19%. See n. 3, *ante*. DTZ claims interest through July 31, 2015, totaling nearly \$855,000. Accepting the aging information in the spreadsheet as true, recalculating interest according to the Comptroller’s formula results in total interest through July 31, 2015, of \$324,715.
