REQUEST FOR QUALIFICATIONS

KNOWLEDGE PARK PEDESTRIAN/CYCLIST CONNECTIVITY PLANNING AND DESIGN PUR872

I. Invitation

The City of Rock Hill is requesting Statements of Qualifications from interested and qualified land planning, design, and engineering firms. As Knowledge Park (www.knowledgeparkrockhill.com) develops, the need for safe, efficient, and enjoyable pedestrian/cyclist movement throughout the district grows. The same pedestrian/cyclist connections can also serve to stimulate investment in development sites which remain available. With new nodes of activity taking shape and being explored at University Center, Baxter Mill (currently Springs Creative Distribution Center), 108 East Main Street (new apartments), the former Good Motors site, and Fountain Park, people will want to move on foot/bikes between these developments. Local business leaders have identified a need for defined, safe, and attractive pedestrian/cyclist connections across Knowledge Park and, specifically, for a way to traverse between the downtown core and University Center/Winthrop University. The latter need requires movement of pedestrians/cyclists over an active railroad line and an adjacent five-lane roadway. The scope of this work has the potential to become transformational; consider the significant place making/landmark opportunity to promote strong brand awareness and initiatives of Rock Hill and Knowledge Park. For additional information on the vision for this project see "Finding the Link... Creating Synergy Between Downtown and Winthrop" uploaded at

<http://www.dropbox.com/s/a5xyrxuphv8f5ta/Lanford%20%20park%20and%20bridge%20downtown.pptx?dl=0>

Qualifications may be mailed to:

City of Rock Hill
Attn.: Tom Stanford
PO Box 11706
Rock Hill, SC 29731

For hand delivery, FedEx or UPS, send to:

Tom Stanford
City of Rock Hill
Purchasing Office, Building #103

Qualifications will be received until 4:00pm on July 27, 2017.

SCBO Notices

SOUTH CAROLINA ASSOCIATION OF GOVERNMENTAL PURCHASING OFFICIALS

SCAGPO is currently registering members and vendors for our Annual Professional Development Forum & Trade Show currently scheduled for November 15-17, 2017. Pre-Forum events begin on Tuesday November 14, 2017. Historically, vendor participants have met and networked with over 200 Public Procurement professionals from State and Local Government entities through our Vendor Trade Show, Networking Socials, and complimentary educational sessions. This year's event will occur at the Myrtle Beach Marriott Resort & Spa. Registration and hotel information is available on our website: <http://scagpo.org/meetinginfo.php?id=53&ts=1487195123>.

This event is a favorite for many of our vendors. Please review previous meeting information for information on previous events.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The link below takes you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules: <https://procurement.sc.gov/vendor/contract-opps/fixes-price-bids-ss>
