Intent To Sole Source

FLORENCE-DARLINGTON TECHNICAL COLLEGE

Florence-Darlington Technical College intends to sole source the procurement of Biometric Software to incorporate into our Learning Management System (LMS) regarding identity authentication of our students.

The College's focus is to find a product that uses gesture biometrics in terms of a student signing into a test that requires the use of a finger/stylus or movement of a mouse to securely login. Only one company that the College has found provides this type of service without additional hardware requirements imposed on the students and institution. This company is Biometric Signature ID (BSI). In addition, BSI has 2 patents regarding their technology of authentication processes.

One of the benefits of BSI is student authentication for all gradable activities within the course such as discussions, dropbox, quizzes and other assessments within the course. With BSI unique software this product allows

for student authentication on all course activities without extra manual authentication activities that would be imposed on the instructor of the course. Furthermore, this software helps to provide additional safeguards based upon authentication reporting against fraud. For example, making sure a student that is registered for the course is the one that actually is taking the course and completing the required work in the course.

BioSig-ID provides an answer to fulfilling the new mandates from the Office of Inspector General (adopted by Dept. of Ed) that say a password/PIN login is no longer enough to establish student identity. The focus is not just academic integrity, but stopping financial fraud.

The new mandates call for authenticating students throughout the course, not just at the beginning or for an exam. BioSig-ID does this, conclusively establishing whether the student that registers is the SAME person that attempts access to the LMS or any virtual asset. BioSig-ID keeps imposters out, and prevents both academic and financial loan fraud.

BioSig-ID affordably solves the issue of continuous student ID verification compliance while providing everyday security that proctoring can't. Designed as education's primary weapon in the fight against all types of fraud, it complements your use of proctoring for high stakes exams. Proctoring won't make you compliant on new ID rules, but BioSig-ID will.

Florence-Darlington Technical College seeks any vendors who can provide a system which meets or exceeds the referenced requirements. Responses will be accepted until 11:00am, on April 10, 2017. Please submit all inquiries & responses to Toni Richardson at toni.richardson@fdtc.edu.

Any amendments and the award will be posted at Florence-Darlington Technical College, Purchasing Office 5212A, 2715 W. Lucas Street, Florence, SC 29501.

SOUTH CAROLINA DEPARTMENT OF EDUCATION

The South Carolina Department of Education (SCDE) intends to secure a contract with the Board of Regents of the University of Wisconsin System, on behalf of the University of Wisconsin-Madison's Wisconsin Center for Education Research (WCER) for the administration, scoring, and reporting of English language proficiency assessments for public school students in kindergarten through grade 12 to be administered in spring 2018. English language proficiency assessments measure students' proficiency levels and progress in the four domains of language: speaking, listening, reading, and writing. The assessments must include customized forms for students with disabilities. These assessments must meet the requirements of the Every Student Succeeds Act (ESSA) and of the Individuals with Disabilities Education Improvement Act (IDEA).

In addition, an alternate assessment for students with significant cognitive disabilities must be provided to meet the requirements of the Every Student Succeeds Act (ESSA) and of the Individuals with Disabilities Education Improvement Act (IDEA).

A screener for the identification of English learners must be also available to schools to be administered as needed.

This Notice of Intent to Sole Source is to determine the availability of vendors able to provide the requested supplies and services.

Please send responses via e-mail to SC Department of Education, Attn.: Elsie Montgomery, Procurement Director, at EMontgomery@ed.sc.gov for this Intent to Sole Source.

The contact deadline is 5:00pm on April 5, 2017.

SCBO Notices

NOTICE OF LISTING FOR SALE AT PUBLIC AUCTION AS OF JANUARY 1, 2017

THE PORT OF PORT ROYAL, BEAUFORT COUNTY, SOUTH CAROLINA

Unique Waterfront Acquisition Opportunity

Project: To sell approximately 51.6 acres of highlands and 265.91 acres of marshland, commonly known as the Port of Port Royal.

Project Description: Pursuant to Proviso 93.32 of the 2016-2017 South Carolina General Appropriations Act and Section 54-3-700 of the South Carolina Code of Laws, the South Carolina Department of Administration (Admin) will sell the Port of Port Royal property through a public auction process.

Admin was required to obtain a new appraisal for the property. That appraisal has been received and may be viewed at [1](#).

As of Jan. 1, 2017, the property is listed for sale at public auction. The auction will be open for 90 days. Initial qualifying offers must be submitted by midnight on March 16, 2017. Best and final qualifying offers from those submitting initial qualifying offers will then be due no later than midnight on March 31, 2017. For complete bidding instructions, please visit the CBRE website linked below. The property must be sold at a price that is equal to or greater than 80 percent of the appraised value.

This waterfront property is in a relatively undeveloped part of coastal South Carolina. The property has an approved pre-development plan and is currently permitted for a 250 slip marina. The property must be sold at a price that is equal to, or greater than, eighty percent of the appraised value. Prospective purchasers will have an opportunity to acquire the property through an auction which will run for a period of ninety (90) days. Award will be made to the highest bidder and will include a ninety (90) day due diligence period. For additional information on the property, please visit the CBRE Sale of the Port of Port Royal website at www.cbre.com/PortRoyal.

SOUTH CAROLINA ASSOCIATION OF GOVERNMENTAL PURCHASING OFFICIALS

SCAGPO is currently registering members and vendors for our Annual Professional Development Forum & Trade Show currently scheduled for November 15-17, 2017. Pre-Forum events begin on Tuesday November 14, 2017. Historically, vendor participants have met and networked with over 200 Public Procurement professionals from State and Local Government entities through our Vendor Trade Show, Networking Socials, and complimentary educational sessions. This year's event will occur at the Myrtle Beach Marriott Resort & Spa. Registration and hotel information is available on our website: <http://scagpo.org/meetinginfo.php?id=53&ts=1487195123>.

This event is a favorite for many of our vendors. Please review previous meeting information for information on previous events.

PUBLIC NOTICE OF APPLICATION DEVELOPMENT

The Lieutenant Governor's Office on Aging will be developing a custom built financial and client services tracking application. The legislature has appropriated funds for the project.

The system will be used for to capture and track data on clients, services provided to the clients, the costs of those services, contacts, and case management. The data will be used for Federal and state reporting, program monitoring, and as verification for financial reimbursement.

Individuals will be hired through the South Carolina IT Temp procurement contract. Information on the contract can be found at <http://webprod.cio.sc.gov/SCSolicitationWeb/contractSearch.do?solicitationnumber=5400008056>.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The link below takes you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules: <https://procurement.sc.gov/vendor/contract-ops/fixes-price-bids-ss>
