Bids must be submitted in a sealed envelope and clearly marked on the outside with the name of the project.

Intent To Sole Source

LANCASTER COUNTY SCHOOL DISTRICT

It is the intent of the Lancaster County School District to seek qualified vendors for the purchase, service and support of an existing software program that will automatically create, update, move and inactivate student Active Directory accounts using PowerSchool as the authoritative source. A return file containing the student's username, password, and email address is required for importing into PowerSchool. Successful vendor must have the ability to read and write custom data to the PowerSchool software application without violating any/all PowerSchool End User License Agreements.

Software must:

- Not require direct access to the Student Information System.
- Use a CSV file that is created from the Student Information System to process directory changes.
- Be Student Information agnostic and be designed for quick implementations.
- Be capable of running on existing server hardware.
- Be capable of creating a return file to include student username, password and email address. Customer must be able to set up a reciprocal import to the SIS.
- Automatically add/update/disable student accounts in Active Directory using a CSV file from the SIS as the authoritative source. Must also be capable of adding students to Security Groups on a per-building basis.
- Be capable of supporting a "no internet" enrollment group via the AUP field.
- Be able to move disabled users to a separate org unit of the District's choice to streamline the end-of-year account management. If a student leaves and then returns, system must automatically re-activate the user account and move it to the correction location in Active Directory.

Software must include, at a minimum, the following components:

- Source CSV file from the SIS sent to a sFTP host.
- Application which typically runs on a Domain Controller.
- Client gateway to support the application. Software must allow the disabling of the gateway to limit unattended access.
- Daily report must contain a list of changes that were performed in the directory at the last run cycle.

Qualified vendors should contact Jan Petersen, Director of Procurement, 803-416-8842 for additional information no later than 3:00pm, May 31, 2017.

SCBO Notices

SOUTH CAROLINA ASSOCIATION OF GOVERNMENTAL PURCHASING OFFICIALS

SCAGPO is currently registering members and vendors for our Annual Professional Development Forum & Trade Show currently scheduled for November 15-17, 2017. Pre-Forum events begin on Tuesday November 14, 2017. Historically, vendor participants have met and networked with over 200 Public Procurement professionals from State and Local Government entities through our Vendor Trade Show, Networking Socials, and complimentary educational sessions. This year's event will occur at the Myrtle Beach Marriott Resort & Spa. Registration and hotel information is available on our website: <http://scagpo.org/meetinginfo.php?id=53&ts=1487195123>.

This event is a favorite for many of our vendors. Please review previous meeting information for information on previous events.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The link below takes you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules: <https://procurement.sc.gov/vendor/contract-ops/fixes-price-bids-ss>
