NOTICE TO ALL CONSULTING ENGINEERING FIRMS

SOLICITATION NUMBER S-219-18

HORRY COUNTY RIDE III TRANSPORTATION PROJECTS PACKAGE

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) on behalf of Horry County requests a letter of interest and a proposal containing qualifications from all interested consulting firms experienced in providing engineering services for the following projects in Horry County, South Carolina.

Projects listed in order of priority as deemed by SCDOT and Horry County:

- Forestbrook Road Widening
- Conway Perimeter Road Phase II
- Fred Nash Boulevard Widening and Extension
- US Highway 501 Realignment
- US Highway 701 Widening (North of Loris)
- US 17 Bus Intersection Improvements in Garden City

Due to the unknown impacts of these projects, each project is to be divided into multiple phases of work that may include but not be limited to: Project Organization and Management, Field Surveys, Traffic Studies and Traffic Signal Design, Environmental Documentation and Permitting, Railroad Coordination, Preliminary Roadway Plans, Hydraulic/Hydrologic Studies, Geotechnical Investigations, Right-of-Way Plans, Bridge Plans, Final Construction Plans, Construction Phase Services, and Federal Aviation Coordination (Project 3 only) in Phase I. Phase II of development will be at the discretion of SCDOT and Horry County and will include Right of Way Acquisition Services. SCDOT and Horry County reserves the right to modify these services if it is deemed to be in the best interest of the State of South Carolina. SCDOT will perform all contract negotiations; however, the final contracts will be executed between the selected Consultants and Horry County

Whether or not there is a Disadvantaged Business Enterprise (DBE) goal on this contract, the proposer is strongly encouraged to obtain the maximum amount of DBE participation feasible on the contract. The selected consultant will be required to report all DBE participation through the DBE Quarterly Report required in the supplemental specification.

The SCDOT will select six (6) different consultant firms (one per project) to provide these services. Consultants will be evaluated and ranked based on their score during the selection process. Consultant firms must identify in their Letter of Interest to which of the six (6) projects they would like to be considered. A consultant firm can only be awarded one project. RFP responses will be evaluated and scored for the project(s) in the order of priority identified above. The highest ranking firm expressing interest in Project 1 will be awarded that project, but then will not be a contender for the remaining projects. All remaining firms interested in Project 2 will be evaluated and scored, of which the highest ranking firm will be awarded that project, but will not be a contender for the remaining four (4) projects. This procedure will be repeated for all of the projects advertised in the RFP. RFP information associated with this solicitation is located at the following link:

http://info.scdot.org/SCDOTProfessionalServ/SitePages/constructionLetting_Services.aspx#tabs-5

For questions, please contact the SCDOT Contracting Officer, Wendy Hollingsworth at 803-737-0746 or via email at Hollingswg@scdot.org, or Diane Stubbs at 803-737-4901 or via email at Stubbsdg@scdot.org. Electronic Submissions are due no later than 2:00pm, September 20, 2017.
