## **CONTRACT FOR STATEWIDE AIRPORT VEGETATION MANAGEMENT**

**MAXIMUM CONTRACT PERIOD: June 1, 2016 – May 31, 2021**

**The purpose of this procurement is to establish statewide term contracts to perform vegetation management and fire ant control services at the state’s publicly owned airports. All sixty (60) of the states publicly owned airports are eligible to use this contract once it is established.**

The use of this contract is mandatory for all state governmental bodies (i.e. state government department, commission, council, board, bureau, committee, institution, college, university, technical school, agency, governmental corporation, or other establishment or official of the executive or judicial branch).

The use of this contract is optional for political subdivisions (i.e. school districts, municipalities, counties, special purpose districts).
