

NOTE: Effective November 30, 2016, Deangelo Brothers, LLC completed an asset purchase of Merciers Inc. This change is reflected throughout this contract sheet.

CONTRACT FOR STATEWIDE AIRPORT VEGETATION MANAGEMENT

MAXIMUM CONTRACT PERIOD: June 24, 2016 – June 23, 2021

The purpose of this procurement is to establish statewide term contracts to perform vegetation management and fire ant control services at the state’s publicly owned airports. All sixty (60) of the states publicly owned airports are eligible to use this contract once it is established.

The use of this contract is mandatory for all state governmental bodies (i.e. state government department, commission, council, board, bureau, committee, institution, college, university, technical school, agency, governmental corporation, or other establishment or official of the executive or judicial branch).

The use of this contract is optional for political subdivisions (i.e. school districts, municipalities, counties, special purpose districts).
