NOTABLE CONTRACT CLAUSES

STATEWIDE TERM CONTRACT -- SCOPE (JAN 2006)

The scope of this contract is limited by the Bidding Schedule / Cost Proposals and by the description included in Part I, Scope of Solicitation. Sales of supplies or services not within the scope of this contract are prohibited. See clause entitled Contract Limitations. [07-7B230-1]

STATEWIDE TERM CONTRACT - ACCEPTANCE OF OFFERS 10% BELOW PRICE (NOV 2012)

Pursuant to Section 11-35-310(35), the state may purchase items available on this contract from a third party (an "alternate vendor") if the alternate vendor offers a price that is at least ten percent less than the price established by this contract and, after being offered an opportunity, you decline to meet the alternate vendor's price. With regard to the items acquired, the alternate vendor must agree to be bound by all the terms and conditions of this contract. All acquisition pursuant to this clause must be documented by the procurement officer using the attached form. [07-7B227-1]

MAXIMUM CONTRACT PERIOD - ESTIMATED (JAN 2006)

Start date: 06/01/2016 End date: 05/31/2021. Dates provided are estimates only. Any resulting contract will begin on the date specified in the notice of award. See clause entitled "Term of Contract - Effective Date/Initial Contract Period". [01-1040-1]

The effective date of this contract is the first day of the Maximum Contract Period as specified on the final statement of Award (**August 29, 2016**). The initial term of this agreement is one (1) year, from the effective date, with four (4) additional one-year renewal options. Regardless, this contract expires no later than the last date stated on the final statement of award (**August 28, 2021**).

EMBROIDERY

Vendor shall submit bid to include charges for providing and embroidering a State of South Carolina or other approved emblem or official logo directly on shirts, outerwear, shorts, etc. as requested by the organization. Such emblems shall typically be sewn on each sleeve ½" below each shoulder seam of shirts and jackets. Prior to beginning production of order, successful bidder must receive approval of the artwork from the requesting location before the logo is affixed to the uniforms.

Embroidery requests shall be specific to the ordering entity; therefore, there are no known specifications available until purchase orders are produced. This procedure, will be priced separately, and used at agency discretion, as budget allows.

INDIVIDUAL PACKAGING

The successful vendor must be able to package trousers and/or shirts by Employee/Region/Section at the request of the using agency. That is, all items intended for a certain Region/Section will be packaged in separate boxes from items for other Regions or Sections. The quantity and contents are to be marked on the outside of each box. Each employee is to receive the quantity uniform items specified by the using agency. Each employee's package of garments will be bagged together with the individual's name on the outside of the package (labels to be supplied by requesting agency). The using agency will supply the vendor with each officer's name by Region/Section for packing purposes. Using agencies wishing to have their orders packed in this manner will supply the vendor with a Region, Section, and Officer break-down for packing purposes with each order. This procedure will be priced separately, and used at agency discretion, as budget allows.

LOCAL REPRESENTATION

Contractor must have a local representative to service the needs of the State Customers. This representative must have full decision making authority and be able to respond and resolve any issues within seven (7) business days.

MEASUREMENTS

Contractor shall provide, upon request, all necessary measuring for proper fit within ten (10) days of receipt of purchase order. Measurements shall occur as indicated by a schedule provided by the requesting location and will take place at a site designated by that organization. Measuring may involve several visits to complete. Measurements for male uniforms shall be handled by a male employee of the contractor, and measurements for female uniforms shall be handled by a female employee of the contractor. Upon completion of measurements, contractor shall provide to the organization a hard copy and/or electronic versions of Excel spreadsheets including the following information:

1. Details of all orders given during measurement sessions(s). This information shall include employee name, quantities, garment types and sizes.
2. Summary of all garments ordered sorted by garment type and include all costs associated with the order.

SIZING

Vendors are reminded that sizes other than normal industry standards are also required in certain cases (XSML up to 8XL). Contractor must be able to furnish all sizes as needed. Any additional costs associated with these sizes must be identified on the Bid Schedule. **Note: The exception to this is when the manufacturer does not make the requested size.**
