## **NOTES**

- Surplus equipment managed under this contract must be eligible for removal/sale after clearance from the SC Department of Administration's Surplus Property Office.
- THIS CONTRACT IS NOT FOR RESIDENTIAL EQUIPMENT.
- Data recording devices (hard drives, etc.) must be destructed and/or degaussed (wiped/sanitized) by the UGU prior to removal by the contractor UNLESS the UGU elects onsite, observable destruction services to be performed by the Contractor at or below the quoted pricing provided above for this service. If this service is elected, the UGU must observe the destruction.
- Any observable, onsite destruction of data recording device services performed will be subject to the small purchase procedures outlined in SC Code of Laws, Section 11-35-1550. See ILS Quotation for Optional Onsite Destruction of Data.\*\*
