

SOLICITATION No. 5400019840
ELECTROSTATIC DISINFECTION SERVICES
MAXIMUM CONTRACT PERIOD: JUNE 10, 2020 – JUNE 9, 2022

[Solicitation Link](#)

This contract is for the electrostatic application of disinfectants approved by the U.S. Environmental Protection Agency (EPA) for protection against the Novel Coronavirus SARS-COV-2.

The purpose is to provide electrostatic disinfection services to Government owned facilities and vehicles. **Use of this contract is NOT mandatory by governmental bodies and is provided merely for their convenience.**

This contract is not intended to be used for remediation, deep cleaning, and sanitizing. Resulting contracts are for electrostatic disinfection services only. An entity requiring additional products or services should purchase outside of this contract and in accordance with the SC Consolidated Procurement Code.

All contractors are not able to provide services to the entire state. Therefore, it is important that the entity review the service areas listed below and confirm with the vendor that the location can be serviced.

Description of Services

Disinfection up to 10,000 SF- Price per square foot for electrostatic disinfection up to 10,000 SF

Disinfection 10,000-100,000 SF- Price per square foot for electrostatic disinfection between 10,000 SF up to 100,000 SF.

Disinfection over 100,000 SF- Price per square foot for electrostatic disinfection for over 100,000 SF.

Vehicle Flat Rate- Price per vehicle for electrostatic disinfection service.

Bus Flat Rate- Price per bus (school bus, transit bus, etc.) for electrostatic disinfection service.

Vehicle Discount Rate- Discount per vehicle for electrostatic disinfection service when coupled with facility disinfection services.

Minimum Service Charge- Minimum charge to provide Services.

Detention Space Electrostatic Disinfection Service- Price per square foot for electrostatic disinfection of Detention Space.
