[How to Place Purchase Orders for FileMaker software](#)

To place purchase orders for your FileMaker software needs, please use the following four (4) steps:

Step 1

Visit the State's Procurement website for pricing. If you need assistance, contact SHI for a quote.

Step 2

Complete your Purchase Order—ensuring that the PO is addressed to SHI.

ALL USERS

1. You **MUST** make sure that your PO matches the Quote 100%.
2. The amount of taxes on your PO should match what is referenced on the quote. Electronic Delivered items are Tax Exempt.
3. Electronic Delivery items should include a note that states "Electronic Delivery Only". This is a requirement on all orders that include downloaded software – NOT MEDIA.
4. Include your Quote Number on all PO's you send.
5. Include a "Ship to" address even if nothing ships with the order.

If you fail to follow these instructions Purchase Orders will be returned for correction or the tax indicated on the PO will be applied to the order and any request for reimbursement of paid taxes will need to be handled through the Department of Revenue.

Step 3

Email purchase orders to SHI International.

Step 4

Software will be provided and invoiced to agencies directly from SHI International Corp.

Please provide the contact information for your primary licensing contact on each Purchase Order.

Please choose the individual to whom the FileMaker Licensing Confirmations should be sent. This simple procedure should allow you to fully catalog your FileMaker licenses and may simplify tracking of lost or missing orders.

***The Primary Licensing Contact Information requested is as follows:**

Primary Contact Person
Primary Contact Person E-mail Address
Primary Contact Person Phone Number

***The primary licensing contact should be a single point of contact per department or agency.**
