This contract covers mailroom equipment, including postage machines, inserters and other mail handling devices. Other than where essential to operation of equipment, software enhancements are not covered by this contract. Sale of equipment is restricted to applications for mail and mailroom operations and functions only. Please review the South Carolina Participating Addendum for each vendor, as there are specific terms and exclusions for each.

Any and all equipment leasing will be through the Statewide Term Contract: [IT Equipment Leasing](#)

Postage meters always remain the property of the US Postal Service, so it may be necessary for an authorized signatory to sign a separate agreement for that equipment. **Otherwise, DO NOT SIGN ANY OTHER DOCUMENTS THAT CONTAIN ADDITIONAL TERMS AND CONDITIONS**
