IMPORTANT SC DOT SPECIFICATIONS:

Items bid by Lee Transport Equipment in Lots 1 (Dump Bodies), 2 (Platform Bodies), 3 (Utility Bodies) and 4 (Slope Front Dump Bodies) meet SC DOT specifications and are approved for contract. All truck bodies bid by Lee Transport Equipment have been approved previously and SC DOT will not require pilot models.

IMPORTANT DELIVERY INFORMATION:

If the Truck Body Contractor (Lee Transport) will be installing the body, delivery will be made within 30 days of Lee Transport's receipt of chassis.

If the Truck Body Contractor (Lee Transport) will NOT be installing the body, delivery will be made within 45 days ARO (after receipt of order). Please remember that the cost of delivery is included within a 25 mile radius of SC DOT's Equipment Depot location on Shop Road. If delivery is to be outside that radius, a reasonable delivery charge is to be negotiated by the governmental entity and Lee Transport.
