First Time Users: Each Using Governmental Unit (UGU) must establish one, or more, accounts with the Contractor, depending on how the agency's travel is defined. Contact the Contractor's representative (information above) to inquire what is necessary to establish your account(s).

When doing so, please have the following information immediately available (if available):

1. An estimated annual travel spend for the UGU.
2. Agency's potential need for International Travel.
3. A copy of the UGU most current travel policy (if it differentiates from the State's standard travel policy).

Having this information will make the account setup process easier.
