

SETTLEMENT AGREEMENT

In the Matter of: Protest by Sharp Construction Company of Sumter, Inc., dated May 21, 2009
Sumter Health Sciences Renovation
State Project No. H59-9981-GW

The undersigned parties do hereby agree that the dispute involved in the above matter is and shall be settled by the following agreement:

1. Central Carolina Technical College (CCTC) agrees to dismiss and not consider the past performance interview questions from Kershaw County (North Central High School) and from CCTC.
2. CCTC will contact two additional project owners from the list of projects previously submitted by Sharp Construction Company of Sumter, Inc., (Sharp) and obtain responses therefrom using the past performance interview questions required by the State Engineer's Office, with the scoring of such responses to be in accordance with the State Engineer's requirements.
3. If Sharp passes the required scoring for the projects referenced in paragraph 2 above, Sharp will be prequalified to bid on the CCTC project involved in this protest. If Sharp fails to pass the required scoring for either of these projects referenced in paragraph 2 above, Sharp will not be prequalified for purposes of bidding on the subject CCTC project involved in this protest.
4. CCTC will provide Sharp with the results of the scoring to be obtained in regard to paragraph 2 and the names of the parties contacted who furnished the information upon which the scoring was determined for each project.
5. Sharp, in consideration of this settlement, waives any further protest rights in regard to this matter.
