NOTICES

**LIST BEING ASSEMBLED
OF SUPPLEMENTAL EDUCATIONAL
SERVICE PROVIDERS**

The above for SC Department of Education (2008-09 School Year).

The South Carolina Department of Education (SCDE), as a State Agency, is not procuring services but will be compiling a list of providers of supplemental educational services to schools.

Supplemental educational services are defined as additional academic instruction designed to increase the academic achievement of students in low-performing schools.

They may include academic assistance such as tutoring, remediation, & other educational interventions, provided that such approaches are consistent with the content & instruction used by the local educational agency & are aligned with the State's academic content standards.

Supplemental educational services must be provided outside of the regular school day & must be

high-quality, research-based & specifically designed to increase student achievement.

Non-profit & for-profit agencies, public or private institutions of higher education, faith-based organizations, & local educational agencies interested in being considered as a provider of supplemental educational services are encouraged to complete an application.

Applications are due by April 16, 2008.

The on-line application can be obtained through the SCDE's web page at www.ed.sc.gov or by calling (803) 734-0025.

**SCBO Hardcopy
Subscription**

As of July 1, 2008, SCBO will no longer be published in hardcopy. With the advent of online SCBO over ten years ago, hard copy subscribers began switching their subscriptions to take advantage of the internet as a less expensive, more efficient way to access SCBO. At this point, hard copy subscriptions began to decline. In September 2007, the Division of Procurement Services decided to provide online SCBO at no charge, & hard copy subscriptions declined even further. It has now become cost prohibitive to provide SCBO to subscribers in the hard copy.

If your subscription expires after July 1, 2008, you will be receiving information about how the time remaining on your subscription will be handled by the Materials Management Office.

SC Business Opportunities will continue to be available online at no charge at http://www.mmo.sc.gov/MMO/ops/scbo_online/MO-scbo-online.phtm
