- 3. Serve as a project manager for new transit initiatives & program expansions, including BRT for US 21 corridor; expansion of 82X bus service; fixed route service in RFATS area; & funding scenarios/grant proposals.
- 4. Serve as project manager for special studies such as sub-collector road studies in identified areas or Congestion Management Process implementation plan.
- 5. Attend RFATS Study Team & City staff meetings as requested.
- 6. Other MPO project management services as determined & mutually agreed to on a project by project basis.

In consultant selection, the City of Rock Hill will consider & conduct a comparative ranking of the firms submitting based upon the following:

- 1. Quality of previous experience with similar work activities (30%)
- 2. Appropriateness of organization, key personnel, their availability & location (35%)
- 3. Quality of references (10%)
- 4. Ability to undertake work tasks in a timely manner & within budget. (25%)

The selected consultant will be evaluated on the basis of information that is submitted in response to the RFQ; however, additional information and/or an interview may be required. Work will be authorized under a contract modification on a task or project assignment basis based on negotiated hours agreed to as necessary to complete the assigned task.

Consulting firms interested in being considered for these projects should respond with a Statement of Qualifications. Statements of Qualifications must be submitted with an original, five (5) hard copies, & one (1) digital copy labeled "RFATS Project Management & Planning Services Proposal" to the contact person listed below. Proposals will need to include a comprehensive response describing the consultant's knowledge & experience with particular emphasis on the elements described in the above Scope of Services Summary. Statements of Qualifications will also need to include the following:

- 1. General Experience Summary: The summary will need to emphasize the consultants experience with MPO Project Management & Planning Services consis-

- tent with the requested Scope of Services Summary as presented above.
- 2. Project References: References will need to include a brief project description, contact name, address, telephone number, email address, & provide evidence of similar or related work completed within the last five (5) years.
- 3. Project Team: List key personnel & provide organization chart & resumes for specific personnel that will be assigned to the City/RFATS, including verification that they have experience with similar projects & will be available to complete the work tasks within the allotted time frames. Identify the Project Manager for the team who will be the point of contact for RFATS.
- 4. Federal Forms: Provide Standard Federal Form 330 for the prime consultant & all subconsultants.
- 5. General Information: A profile of the firm & description of current projects will need to be included in this section. This section can also be used to provide additional information the firm feels would be useful during the evaluation process.

This project involves FHWA funding administered through SCDOT & will follow all rules & regulations required by SCDOT for similar projects. The maximum raw labor rate shall not exceed \$43.00 per hour. The contract will be on the basis of costs plus a fixed fee with a contract maximum.

Consulting firms will be required to comply with all applicable federal, state & local laws & policies, including Title VI of the Civil Rights Act of 1964.

All Statements of Qualifications should be submitted to Frances Thomas, Planning Director, City of Rock Hill, 155 Johnston Street, Room 325, PO Box 11706, Rock Hill, SC 29731-1706 no later than 5:00pm, local time, on December 18, 2008.

Additional information regarding the RFQ can be located on the City of Rock Hill website at www.cityofrockhill.com. On the left side of the page, click on Online Services & all our solicitations will be listed.
