CONSTRUCTION ENGINEERING & INSPECTION SERVICES FOR US 601 BRIDGE REPLACEMENTS

SOLICITATION NUMBER S-78-09

The South Carolina Department Of Transportation (SCDOT) is seeking proposals from all interested CE&I firms experienced in providing required construction engineering & inspection services necessary for the US 601 Bridge Replacements from south of SC Route 48 to west of the Congaree River in Richland & Calhoun Counties to include, but not be limited to construction management, construction engineering, inspection, sampling, testing, & construction survey verifications to determine compliance with the contract requirements, plans, & specifications. The firm will provide services that conform to current state policy & practice of construction engineering including certification of personnel. For this project, the performance of the services will ensure quality materials are being incorporated into the project, quality workmanship is utilized on the project, the work of the contractor is progressing in accordance with the proposed schedule, & compliance with applicable state laws regarding environmental issues. Other tasks may be added as deemed necessary by the SCDOT.

In Consultant Selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the fol-

lowing: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%), past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services (20%), past performance in utilizing DBEs (5%), familiarity of proposed staff with SCDOT practices & procedures (15%), availability of key staff & the ability to mobilize quickly & meet project schedules (25%), DBE utilization plan & willingness to participate in the SCDOT/FHWA Mentor-Protégé Program (5%), & current volume of work with SCDOT (5%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting Firms Interested In Being Considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Form SF 330 which is to be provided for the primary firm & any sub-consultants, a listing of all Disadvantaged Business Enterprises (DBE) including the state of certification, discipline & percentage of usage / obligation on this project & any other pertinent information. The preceding, with the exception of Form SF 330, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required.

All Responders Must Visibly Mark as "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. The proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants Shall Comply with Title VI of the Civil Rights Act of 1964. The SCDOT

strongly encourages the use of & involvement of Disadvantage Business Enterprises (DBE) on this project.

The SCDOT Has Established a maximum hourly rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum.

All Proposals Should Be Submitted to Wendy Hollingsworth, Professional Services Manager, Engineering Contracts Office, Room 118, at the SC Dept. of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park Street, Room 118, Columbia, SC, 29201, no later than 2:00pm, November 12, 2009.

Request For A Draft Scope Of Services or other inquiries should be directed to Mr. Leland Colvin, Assistant Construction Engineer, at ColvinLD@SCDOT.org or (803) 737-1308, or Ms. Wendy Hollingsworth, PSM, at (803) 737-0746 or Hollingswg@SCDOT.org.

ENGINEERING SERVICES FOR REMOVAL & REPLACEMENT OF FLORENCE COUNTY BRIDGE

SOLICITATION NUMBER S-75-09

The South Carolina Department Of Transportation (SCDOT) requests a letter of interest & a current resume of qualifications from all interested consulting firms experienced in providing engineering services necessary for the preparation of preliminary plans & studies, environmental studies & documentation, & right of way & construction plans for the replacement of S-24 (Paper Mill Road) over Jefferies Creek approximately ten miles southeast of the City of Florence in Florence County, South Carolina. The proposed project consists of removing the deficient bridge & constructing the new bridge on a new alignment adjacent to the existing bridge.

Requested Services Include, but are not limited to, project management, traffic studies, environmental studies, documentation, preliminary plans, public information meeting, final right-of-way plans, final construc-

tion plans, construction phase services & other duties deemed necessary.

In Consultant Selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%), past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services (20%), past performance in utilizing DBEs (5%); familiarity of proposed staff with SCDOT practices & procedures (15%), availability of key staff & the ability to mobilize quickly & meet project schedules (25%), DBE utilization plan & willingness to participate in the SCDOT/FHWA Mentor-Protégé Program (5%), & current volume of work with SCDOT (5%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting Firms Interested In Being Considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Form SF 330 which is to be provided for the primary firm & any sub-consultants, a listing of all Disadvantaged Business Enterprises (DBE) including the state of certification, discipline & percentage of usage / obligation on this project & any other pertinent information. The preceding, with the exception of Form SF 330, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required.

All Responders Must Visibly Mark as "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants Shall Comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project.

The SCDOT Has Established a maximum hourly rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum or a lump sum basis at the discretion of the SCDOT.

All Proposals Should Be Submitted to Wendy Hollingsworth, Professional Services Manager, Director of Construction, Room 118, at the SC Dept. of Transportation, P.O. Box 191, Columbia, SC, 29202, or 955 Park Street, Room 118, Columbia, SC, 29201, no later than 2:00pm, November 16, 2009.

Requests for copies of the anticipated scope of improvements should be directed to SCDOT Program Manager Bener Amado, P.E., (803) 737-0181 or amadob@scdot.org.

Project Name: U.S.C. UPSTATE TRACK & FIELD COMPLEX

ASBESTOS & HAZARDOUS MATERIALS ABATEMENT, DEMOLITION & REMOVAL OF RESIDENTIAL STRUCTURES

The City of Clemson will receive sealed bids for the abatement of asbestos & hazardous materials, demolition & removal of two residential structures until 11:00am, Friday, November 20, 2009, at the City of Clemson, 1250 Tiger Boulevard, Suite 1, Clemson, South Carolina 29631. The City of Clemson is not responsible for delays in the mail. Bids will be publicly opened & read aloud. Bids received after the stated time will not be accepted. No bid will be considered unless the bidder is legally qualified under the provisions of the South Carolina Contractor's Licensing Law (S.C. Code of Laws as amended in 1976, Chapter 11, Sections 40-11-10 through 40-11-428).

The scope of work for this project includes all labor, materials & equipment necessary to remove asbestos & hazardous materials, demolish & remove the two residential structures located at 208 & 210 West Lane in Clemson, SC. 208 West Lane is a one-story, 818 square foot wood framed house built over a dirt floor crawlspace. 210 West Lane is a one-story, 1,265 square foot wood framed house that is also built over a dirt floor crawlspace. Asbestos materials in quantities greater than 160 square feet were found during pre-demolition testing that occurred in May of 2009. Based on this quantity of ACM, the abatement work is considered a "NESHAP" project per the South Carolina Department of Health & Environmental Control (DHEC) Regulation 61-86.1 Standards of Performance for Abatement Projects. The abatement work must be performed by an abatement contractor licensed in the state of SC.

Bidders must attend one of two pre-bid meetings. These meetings will be the bidder's opportunity to view the site & structures. These meetings are scheduled for 2:00pm, Tuesday November 3rd & Wednesday November 4th on-site at 210 West Lane, Clemson, SC 29631.

Email Andy Blondeau at ablondeau@cityofclemson.org to receive an electronic copy of the pre-demolition inspection report. The report can also be viewed at the office of Andy Blondeau, City of Clemson, 1250-1 Tiger Blvd., Clemson, SC 29631, (864) 653-2072.

Any questions relating to the project may be addressed to Mr. Andy Blondeau, Program Manager at ablondeau@cityofclemson.org or (864-653-2072).

The City of Clemson reserves the right to reject any & all offers & portions thereof, to waive minor technicalities & informalities, & to make an award deemed in its best interest, subject to the requirements of any applicable laws of procurement.

NOTICES

**SENIOR CENTERS OF SPARTANBURG
 ANNOUNCES INTENTION TO ENTER
 INTO PURCHASE OF SERVICE
 AGREEMENT**

This is to notify all interested parties that Senior Centers of Spartanburg County, Inc. will be supplying public transportation through a purchase of service agreement with Spartanburg Regional Transportation Services. These services will be used to transport those elderly & disabled persons in the area of Spartanburg County, on a subscription or demand responsive basis, at least 5 days a week.

Pusuant to the Americans with Disabilities Act (ADA) of 1990, this notice additionally serves to inform interested parties that requests may be made of the applicant for accommodations of special needs for a person(s) with disability(ies) to have maximum feasible opportunity for physical & information access to & regarding the above proposed project.

Anyone wishing to comment on this application should do so by contacting the Senior Centers of Spartanburg County, 1605 Drayton Rd. Spartanburg, SC 29307. Any public or private transit or paratransit operator wishing to provide an equivalent service to that proposed above should submit to the above named agency within 30 days, a written proposal detailing the services that operator would provide.

**CHARLESTON COUNTY
 AVIATION AUTHORITY ANNOUNCES
 D.B.E. GOALS**

The Charleston County Aviation Authority (CCAA) has proposed an overall Disadvantaged Business Enterprise (DBE) goal of 5.9% for Airport Improvement Projects (AIPs) awarded during FY 2010. The proposed goal & methodology, which are included in the Airport's DBE Plan, are available for public inspection at the CCAA Administrative Office at Charleston International Airport during normal business hours for a period of thirty (30) days, beginning October 25, 2009. Written comments will be accepted for a period of forty-five (45) days beginning October 25, 2009. Please send all written comments to the Manager of Properties, CCAA, at 5500 International Boulevard, #101, Charleston, SC 29418.
