BRIDGE OVER NORFOLK SOUTHERN ALONG ROADS IN SPARTANBURG COUNTY

SOLICITATION NUMBER S-80-09

The South Carolina Department of Transportation (SCDOT) requests a letter of interest & a current resume of qualifications from all interested consulting firms experienced in providing engineering services necessary for the preparation of preliminary plans & studies, environmental studies & documentation, & right of way & construction plans for constructing a new bridge over Norfolk Southern Railroad along Roads S-41 (Blackstock Road)/S-525 (Fairforest Road), which is located in Spartanburg County, SC. Requested services include, but are not limited to, project management, traffic studies, environmental studies, documentation, preliminary plans, public information meeting, final right-of-way plans, final construction plans, construction phase services & other duties deemed necessary.

In Consultant Selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%), past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services (20%), past performance in utilizing DBEs (5%), familiarity of proposed staff with SCDOT practices & procedures (15%), availability of key staff & the ability to mobilize quickly & meet project schedules (25%), DBE utilization plan & willingness to participate in the SCDOT/FHWA Mentor-Protégé Program (5%), & current volume of work with SCDOT (5%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting Firms Interested In Being Considered For This Project should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Form SF 330 which is to be provided for the primary firm & any sub-consultants, a listing of all Disadvantaged Business Enterprises (DBE) including the State of Certification, Discipline & Percentage of usage/obligation on this project & any other pertinent information. The preceding, with the exception of Form SF 330, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT se-

lection will be based on information submitted; however, additional information and/or an interview may be required.

All Responders Must Visibly Mark as "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants Shall Comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project.

The SCDOT Has Established A Maximum Hourly Rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum or a lump sum basis at the discretion of the SCDOT.

All Proposals Should Be Submitted to Wendy Hollingsworth, Professional Services Manager, Room 330, at the SC Dept. of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park St., Rm. 330, Columbia, SC, 29201, no later than 2:00pm, February 25, 2010.

Requests For Copies of the anticipated scope of improvements should be directed to SCDOT Rail Manager Roy Tolson at (803) 737-6218 or tolsonr@scdot.org.

ZONING ORDINANCE REVISION FOR CITY OF WALTERBORO

City of Walterboro is requesting proposals from professional planning firms that specialize in zoning & subdivision regulations who are interested in providing consultant services to City of Walterboro to update its Zoning Ordinance.

The major emphasis of the update to the Zoning Ordinance should be addressing the future land use pattern & supporting regulatory elements for implementation. The public input process for preparation of the revision of the Zoning Ordinance should contain methods designed to encourage public participation.

The consultant team will provide project management, technical expertise, mapping, graphics, data collection & analysis, best practices research & recommendations, & drafts of the Zoning Ordinance.

The consultant team will be responsible for presentation materials & delivering drafts & public review documents of all planning & regulatory elements including all supporting data, maps, graphics, etc., throughout the Zoning Ordinance update process.

Contract approval is expected to occur on or before March 2010 but may be extended. The desired time frame for starting the project is April 2010 & shall be completed by September 2010.

The City reserves the right to reject any or all proposals, or to accept any proposal in part or reject it in part & to waive any informality or irregularity in proposals received if it is determined by the City Manager or designee that the best interest of the City will be served in doing so.

Interested firms must request a copy of the complete scope of work to be considered. To receive a complete scope of work, contact David Dodd, Planning & Codes Director, at (843) 549-2545 or ddodd@walterborosc.org.
