NOTICES

**S.C. DEPARTMENT OF EDUCATION
SEEKS SUPPLEMENTAL
EDUCATIONAL SERVICES PROVIDERS**

The South Carolina Department of Education (SCDE) is seeking applicants to become providers of Supplemental Educational Services (SES) for the 2011-12 school year. As a state agency, the SCDE is not procuring services, but will be approving the applications. Applicants whose application meets the required composite score will be included on the list of state-approved SES providers that will be forwarded to districts & schools that are required to offer SES.

Supplemental Educational Services are defined as additional academic instruction designed to increase the academic achievement of students in low-performing schools. The services may include academic assistance such as tutoring, remediation, & other educational interventions, provided that such approaches are consistent with the content & instruction used by the local educational agency (school district), & are aligned with the State's academic content standards. The supplemental educational services must be provided outside of the regular school day. The services must also be high quality, research-based, & specifically designed to increase student achievement.

Non-profit & for-profit agencies, public or private institutions of higher education, faith-based organizations, & local educational agencies interested in becoming a provider of supplemental educational services are encouraged to apply. Applications are due by 4:00pm, EST, April 1, 2011. The on-line application can be accessed by logging onto the SCDE's Web site at www.ed.sc.gov & then linking to the Federal & State Accountability page.

A training session regarding the application process will be held on Thursday, February 17, 2011, 9:30am, until 12:30pm, (registration begins at 9:00am) at the South Carolina State Museum Auditorium, 301 Gervais Street, Columbia, SC 29202. The training is not mandatory; however, all interested applicants are encouraged to attend. Due to limited space, interested applicants must register in advance.

For information about the application training session or the on-line application, please contact Basil Harris, SES Coordinator, by e-mail at bharris@ed.sc.gov or by telephone at (803) 734-8373.
