INTERSTATE 26 WIDENING & REHABILITATION FROM MP 115 TO MP 136 IN LEXINGTON & CALHOUN COUNTIES

NOTICE TO PARTIES INTERESTED IN DESIGN-BUILD PROJECTS

The South Carolina Department Of Transportation (SCDOT) Requests letters of interest & current resume of qualifications from all interested parties experienced in all phases of high-way & bridge design & construction to provide design & construction services for the widening & rehabilitation of Interstate 26 in Lexington & Calhoun Counties, SC. SCDOT & the Federal Highway Administration will be using the design-build method of contracting for this federal-aid project.

The Scope Of Work For This Project Will Include design, permitting, right-of-way acquisition & services, construction, & construction engineering & management. The design work will include, but not be limited to, surveys, preliminary design, hydrologic & hydraulic analysis & design; geotechnical investigation, analysis, & design; roadway design, bridge design, construction staging, signing & pavement markings & any other design work necessary to complete the roadway & bridge plans & specifications to federal & SCDOT standards. Right-of-way services will include right-of-way acquisition & the services necessary to facilitate that acquisition. Construction will include, but not be limited to, all necessary roadway & bridge construction, utility coordination, erosion & sediment control, traffic control, & any other tasks necessary to complete construction. Construction engineering & management, including quality control, will be

the responsibility of the design-build team. Quality assurance testing for acceptance & independent assurance testing will be the responsibility of SCDOT.

In Evaluating Qualifications, SCDOT will use a two-step process to select a proposer with which to execute a contract for this project. The Request for Qualifications (RFQ) represents the first step in the process. After evaluating the submitted qualifications, a maximum of five (5) proposers will be invited to respond to the Request for Proposals (RFP). In evaluating qualifications, SCDOT will consider team structure & approach, experience of key individuals, past performance of team, & quality control plan approach.

Interested Parties May Obtain A Copy of the Request for Qualifications & an RFQ information package online at www.scdot.org/doing/designbuild.shtm.

Qualifications Must Be Submitted in accordance with the Request for Qualifications. Responsive parties shall submit ten (10) printed & bound copies of the qualifications & one electronic copy of the qualifications in PDF format to Susie Bender, Contracts Manager, 955 Park Street, Rm. 333, Columbia, SC 29201, no later than 2:00pm, July 13, 2012.

Description of Project:

A. An addition of approximately 1,000 square feet will be added to the existing cafeteria building. The purpose of this addition is to provide new ADA compliant restrooms & a main entrance to serve the cafeteria building. The new addition will be metal stud framed & brick veneer to match the existing structure's exterior appearance. The interior of the addition will have ADA compliant restrooms & a main entrance of sheetrock walls, acoustical ceiling & vinyl tile flooring. The interior doors will be wood with hollow metal frames with the exterior entry doors will be aluminum storefront. Project funding is being provided by Community Development Block Grant Program. All federal requirements will apply.

B. There are two areas of canopy roofing that have failed & have major

leaks. The canopy areas are between the existing cafeteria building & the main education building. These roofing systems will be replaced. The steel canopy structure will remain in place & get re-finished. The restrooms will be upgraded to meet the current ADA requirements. Work includes, but not limited to reconfiguration of plumbing fixtures, new plumbing fixtures & new finishes as necessary. The renovation of the hallway, open area & classrooms will consist of mostly cosmetic upgrades. No walls are planned to be removed or added. The spaces will receive new flooring, wall paint, new lights, new ceiling tile & the existing ceiling grid will be painted. Upgrades to the existing fire alarm & security system will be included in order have both systems up & running properly. The renovation to the main front Lobby will consist of new entry storefront, new lighting, new ceiling tiles & painting of the existing ceiling grid. The walls are exposed brick & the flooring is quarry tile. Both of these materials are in good condition & will be left as is. Project funding is being provided by HUD Consolidated Appropriations ACT 2010. All federal requirements will apply.

RENEWABLE ENERGY CERTIFICATES

Palmetto Clean Energy (PaCE) is opening a bid process to procure renewable energy certificates. PaCE will consider proposals to purchase RECs from any of the renewable energy sources that meet the PaCE program guidelines. Guidelines are posted at www.palmettocleanenergy.org/producer/eligibility-criteria.asp.

The generator will be required to enter into a Power Purchase Agreement with a South Carolina investor owned electric utility. PaCE premiums are available only to generator owners for projects located in South Carolina which deliver electric energy into the electric grid in South Carolina. PaCE will give preference to new facilities that are currently operational or will be operational by September 1, 2012. Facilities are considered new if they began operation or were repowered January 1, 1997 or later.

For a copy of the RFP please contact tjer-man@energy.sc.gov. Bids are due by the close of business on July 31, 2012.

**INCUMBENT WORKER
TRAINING ASSISTANCE**

The Santee-Lynches Workforce Investment Area (SLWIA) announces the availability of \$31,500 in Incumbent Worker Training (IWT) Assistance under provisions of the Workforce Investment Act of 1998. The purpose of this IWT Program is to assist Small Business Employers (less than 50 employees) in training currently employed workers in an effort to keep businesses & workers competitive. Private sector South Carolina employers located in the counties of Clarendon, Kershaw, Lee & Sumter faced with changing skill requirements caused by new technology, retooling, new services/product lines, & new organizational restructuring or as part of a layoff aversion strategy may be eligible for IWT assistance for the following types of training: Technical & computer skills, industry or company specific skills, & some certification training. Expected priorities are applications which show a significant upgrade in employee skills & or wage increases, significant layoff avoidance strategies, & businesses who have not received an IWT agreement during the prior two (2) program years.

You may request an IWT Application by email from Hope Turner at hturner@slcog.org, Areatha Clark at aclark@slcog.org, or Gwen Davis at gda-vis@slcog.org. Interested employers must forward their request for IWT assistance to Hope Turner, WD Finance Coordinator, Santee-Lynches Regional Council of Governments, Reference: IWT Program, PO Box 1837, (36 West Liberty Street), Sumter, SC 29151, by Monday, July 16, 2012, by 12:00pm.

Auxiliary aids & services available upon request by individuals with disabilities.
