Architect / Engineering Section of SCBO Please
verify requirements for non-State agency adver-
tisements by contacting the agency / owner.

Project Name: LAMAR BRANCH
ADDITION

Project Number: 02-01-07-2013

Location: Lamar, SC

Description: The Darlington County gov-
ernment is seeking architectural,
engineering, & related services to
design & construct an addition to
the Lamar Branch of the Darlington
County Library System in Lamar,
SC. These services may include
conceptual & final drawings &
bid documents. The proposed
addition, projected to be approxi-
mately 1,000 square feet, must
be: 1) Integrated seamlessly into
an existing structure in a way to
accommodate library services; 2)
Provide a comfortable & conven-
ient environment for both cus-
tomers & staff; 3) Energy efficient
& cost effective to operate &
maintain; 4) An aesthetically at-
tractive addition to a public build-
ing of importance in the communi-
ty of Lamar.

Anticipated Construction Cost Range:
\$300,000

General Scope of Work: The project is to
design an addition to the existing
Lamar Branch building of the Dar-
lington County Library System.
The Lamar Branch is a one story
brick structure measuring 108
feet by 55 feet, enclosing approx-
imately 5,200 square feet. The

original building was constructed
in 2003. The facility was about
4,200 square feet. In 2010, the
Friends of the Library obtained a
grant from the Drs. Bruce & Lee
Foundation to add a meeting
room (northwest side) & a class-
room to the building, increasing
its size by an additional 1,000
square feet. The Lamar Branch is
the third largest in the system.
The Friends of the Lamar Library
were also solely responsible for
creating a public park area on the
eastern & southeastern sides of
the building. A public fountain is
located on the southeastern side
of the building. The Branch hous-
es over 26,600 items, including
books, CDs, DVDs, etc. in a
space designed for 20,000 items.
It has 8 public internet computer
stations. Use of the Branch is
significant, with over 40,300 visi-
tors & over 36,500 items circulat-
ed in Fiscal Year 2012. The
Branch has a staff of seven. The
purpose of this project is to seam-
lessly integrate approximately an
additional 1,000 square feet into
the existing public area of the
structure. The additional space is
designated for collections, ser-
vices, & programming. Reconfig-
uration of the interior, such as
stacks, children's area, seating
space, public computers, & cir-
culation services area, will be re-
quired to attain the maximum cost
efficiency in operation & mainte-
nance. It is expected the addition
will be on the east & southeast
side of the building. Disruption of
normal library services during the
construction phase is a concern.
It is desired that construction of
the new addition have a minimal
impact on the day to day opera-
tions of the branch.

**Description of All Professional Services
Required for Project:** The County will re-
tain one firm which will bring the
necessary service disciplines in
architecture, engineering & others
together to meet the comprehen-

sive needs of the Library to effec-
tively program, plan, design, &
provide construction phase ser-
vices to execute the scope of pro-
ject described above. Services
required include a needs as-
sessment of facility collections,
services, & programs prior to de-
sign. The assessment will include
County & Library staff, Trustees,
Friends of the Library, & others as
possibly needed. Anticipated
tasks required include: 1) Desig-
nation of an architect & design
team; 2) Design development &
schematic design documents,
cost estimate, & value engineer-
ing; 3) Construction drawings &
specifications, including "as built"
drawings; 4) Participation in the
public bidding for the construction
contract; 5) Commencement of
construction; 6) Construction ad-
ministration, including any possi-
ble change orders or HAZMAT
mitigation; 7) Construction moni-
toring in conjunction with a con-
struction manager or general con-
tractor, including regular progress
meetings; 8) Construction com-
pletion, including "punch list". The
architectural services may be
provided solely by in-house staff
or by a combination of in-house
staff & outside consultants. It is
anticipated that all architectural &
engineering work for the Lamar
Branch Addition of the Darlington
County Library System, including
schematic design through con-
struction documents, will be com-
pleted following commissioning of
the successful architectural firm.
Construction work will be bid, in
phases if deemed advantageous
to the County, with a schedule to
be determined in consultation
with the architectural firm & pro-
ject Construction Manager (if ap-
plicable), with the architectural
firm participating in bid & con-
struction administration services
accordingly.

Resume Deadline/Time: Friday, February
8, 2013 – noon

Number of Copies: Twelve copies of the required information noted below in an 8.5" x 11" print format & two complete copies in a digital version either on DVD or flash drive.

Agency/Owner: Darlington County
Name & Title of Agency Coordinator:
 Sherman Dibble, Materials Manager
Address: Room 210, 1 Pubic Square, Darlington, SC 59253

Project Name: 1,945 LINEAR FOOT RAIL SIDING ADDITION FOR L&C RAILROAD, L.L.C., IN CHESTER COUNTY

Project Number: 12188-0012

Project Location: Chester, SC

Bid Security Required: Yes

Performance Bond Required: Yes

Payment Bond Required: Yes

Description of Project: The project involves one Base Bid & a total of three separate alternates, as described below, involving the construction of a new 1,945 Linear Foot Rail Siding Addition for L&C Railroad, LLC, in Chester County, SC.

The Base Bid consists of the construction of a new 1,945 Linear Foot Rail Siding to serve the existing L&C Railroad mainline track.

Alternate No. 1 consists of the construction of a new 455 Linear Foot Rail Spur diverging from the new 1,945 Linear Foot Rail Siding addition as described in the Base Bid.

Alternate No. 2 consists of the construction of a new 10-foot wide Service Road which will run parallel to the new rail siding & serve to provide access to the rail infrastructure.

Alternate No. 3 consists of the construction of a new 10-foot wide paved grade crossing which will provide access to the new rail siding & existing L&C Railroad mainline track infrastructure.

The work to be completed as a part of this project consists of providing all required materials, equipment & labor necessary including clearing & grubbing, demolition of existing site features, grading & earthwork of the project site, erosion & sediment control, & associated storm drainage infrastructure.

The project shall be awarded to the lowest bidder, based on the sum of the total base bid & any selected alternates.

**FOOD VENDOR
FOR HORSE SHOWS
AT CROFT STATE PARK**

The South Carolina Department of Parks, Recreation & Tourism (SCPRT) is seeking a vendor capable of providing food sales to park guests during Croft State Park's monthly horse shows, which take place on the 3rd Saturday of each month, February through November, from 9:00am until 4:00pm. The vendor will sell items that include, but are not limited to, hotdogs, hamburgers, potato chips, peanuts, snow cones, & drinks. The vendor will be required to follow the policies & guidelines of the State Park Service. Croft State Park is located at 450 Croft State Park Rd., Spartanburg, SC 29302.

Interested vendors must mail or e-mail a letter of interest with their company & product information to James Jackson at the address listed below. All responses must be received by 5:00pm, on January 22, 2013. If you would like additional information, please contact James Jackson at (803) 734-1302 or jjackson@scprt.com.

SC Dept. of Parks, Recreation & Tourism
Attn: James H. Jackson
1205 Pendleton Street, Room 517
Columbia, SC 29201
Phone: (803) 734-1302
E-mail: jjackson@scprt.com

**PARKING MANAGEMENT
FOR HORRY COUNTY**

Notice is hereby given that Horry County Government will accept proposals for Parking Management Services for Horry County. All Proposals should be clearly identified as "RFP # 2012-13-016, Parking Management Services" & delivered to the Horry County Procurement Office, 3230 Hwy 319, Conway, SC, not later than 2:00pm, local time, January 31, 2013. Proposals may be mailed or hand-delivered.

Proposals will be evaluated & the successful proposal will be determined & selected based upon the proposer that best meets the needs of Horry County.

This solicitation does not commit Horry County Government to award a contract, to pay any cost incurred in the preparation of proposals submitted, or to procure or contract for such. Horry County reserves the right to accept or reject any, all or any part of proposal received as a result of this request, or to cancel in part or in its entirety this Request for Proposals if it is in the best interest of the County.

Direct all inquiries to norrisa@horrycounty.org, Attn: Director of Procurement.

**TACK & LIVESTOCK
HEALTH SUPPLY VENDOR
FOR HORSE SHOWS
AT CROFT STATE PARK**

The South Carolina Department of Parks, Recreation & Tourism (SCPRT) is seeking a vendor capable of providing tack & livestock health supplies to park guests during Croft State Park's monthly horse shows, which take place on the 3rd Saturday of each month, February through November, from 9:00am until 4:00pm. The vendor will sell tack & livestock health supplies only including, but not limited to bridles, saddles, lead ropes, livestock health supplements, & possibly feed. The vendor will be required to follow the policies & guidelines of the State Park Service. Croft State Park is located at 450 Croft State Park Rd., Spartanburg, SC 29302.

Interested vendors must mail or e-mail a letter of interest, with their company & product information, to James Jackson at the address that follows. All responses must be received by 5:00pm, on January 22, 2013. If you would like additional information, please contact James Jackson at (803) 734-1302 or jjackson@scprt.com.
