Description of Project: The University of
South Carolina is seeking the
services of three structural con-
sulting firms to provide design
services, including but not limited
to renovations, repairs, mainte-
nance & new construction for
miscellaneous projects. Some
work orders executed under this
contract may require the firm to
coordinate work with other Uni-
versity consultants (i.e., archi-
tects, engineers, inspection
& testing firms, LEED consultants
& others as needed) to complete
the design & construction for as-
signed projects.

Firms selected for award will be
required to submit a written quali-
ty assurance & control plan which
shall be applied to these interdis-
ciplinary projects. Experience
working with State agencies pre-
ferred. Also, experience working
on an "on call" or "as needed" ba-
sis preferred. At the discretion of
the University, selected firms
could be asked to provide ser-
vices at any USC campus. There

will be no travel reimbursement
for projects within a 50-mile radi-
us of the principal's office. The
professional may be subject to a
performance appraisal at the
close of the project. Any ques-
tions concerning the terms
& conditions of the proposed con-
tract must be addressed to the
Agency Coordinator listed later in
this notice.
