Project Name: CALHOUN WEST DRAINAGE IMPROVEMENT PROJECT

Location: Charleston, SC

Description: The City of Charleston, SC, is seeking the qualifications of interested firms to provide surveying, planning, & conceptual engineering services for improving the drainage systems in the Calhoun West Drainage Basin. The tidally influenced Calhoun West Basin, comprised of approximately 200 acres of institutional, commercial, & residential development, is a historically flood-prone area on the Peninsula of Charleston. The City is initiating a study for improving drainage in the basin & alleviating the frequent flooding. The study will be used to develop a comprehensive plan to address both localized & basin-wide drainage issues.

Description of All Professional Services Required for Project: The planning & conceptual engineering services scope will include conducting survey/SUE; preparing a watershed assessment; performing hydrologic & hydraulic analysis; conducting utility conflicts analysis; developing drainage improvements alternatives; providing project coordination & public information; & performing risk management. A more detailed scope of work & a copy of the Master Drainage Plan are available in electronic format & posted on the City's website at <http://www.charleston-sc.gov/index.aspx?nid=593>.

Additional Short List Criteria: Current Federal Standard Form 330 is to be submitted. If sub-consultants are to be used, they must be included in the SF 330 Part I for the team & submit an SF 330 Part II for their firm. Prospective candidates shall be experienced in all elements listed in the Description of Professional Services above.

A Selection Committee will evaluate the information submitted & will select a minimum of three finalists for interviews, provided at

least three qualified firms submit the proper information. The following criteria will be used to evaluate each firm:

- A. Firm's demonstrated expertise in design of projects of similar scope & scale
- B. Demonstrated expertise of the individuals who will be in responsible charge & assigned through the completion of the project
- C. Past performance on contracts with the City & a verified reference list from other clients
- D. Creativity & insight related to project
- E. Demonstrated ability to meet time & budget
- F. Location of firm
- G. Ability to meet minority business goals established by the City of Charleston <http://www.charleston-sc.gov/index.aspx?NID=127>
