SUPPORT SERVICES FOR INITIATIVES THAT PROMOTE QUALITY CHILD CARE IN FLORENCE & MARION COUNTY

INTENT TO SOLE SOURCE

Historically & currently Child Care Licensing Region IV has the largest concentration of Family Child Care providers in the state. The largest number of these providers is located in Florence County. This comprehensive quality enhancement project targets family child care & group child care providers in Florence & Marion counties. Major components of this project include technical assistance, training, & quality incentives.

It is the intent of the South Carolina Department of Social Services (DSS) to issue a sole source procurement to Florence First Steps County Partnership to School Readiness.

Florence First Steps to School Readiness County Partnership is a well-established community-based organization that works collaboratively to provide support for initiatives that promote quality child care. The organization has been in existence for 14 years. Florence First Steps is the sole entity able to provide trained & state-certified technical assistance staff (Generalist III-highest level) with the ability to promptly provide services in these counties.

This Notice of Intent to Sole Source is to determine the availability of vendors able to provide the requested services.

Please send responses via email to SC Department of Social Services, Attn.: Elian Roman, Procurement Manager I, at Elian.roman@dss.sc.gov for this Intent to Sole Source.

The contact deadline is Wednesday, December 10, 2014 by 10:00am, ET.

Responsible charge of teaching engineering may be construed as responsible charge of engineering work. The primary responsibility of board members is to protect the health, safety & welfare of the public of South Carolina.

The SC Council of Engineering & Surveying Societies is charged, by law, to make recommendations to the Governor from which she must appoint engineers & surveyors to the Registration Board.

The SC Council of Engineering & Surveying Societies is accepting letters of application from Professional Engineers who meet the state's minimum requirements that wish to be considered for the Registration Board position. The deadline for submitting applications with the SC Council of Engineering & Surveying societies is Monday, December 15, 2014.

The term for this appointment is for a five-year term which is through January 1, 2020. The following information should accompany the letter of interest in the form of a resumé: education & collegiate achievements, engineering/surveying achievements, professional & technical society activities, civic & humanitarian activities, continuing competence, professional experience, general personal data, & references.

You may wish to visit the SC State Board of Registration for Professional Engineers & Surveyors website for insight in Board members' responsibilities:
<http://www.llr.state.sc.us/POL/Engineers/>

Send applications with the above information to the SC Council of Engineering & Surveying Societies, c/o Jones, McAden & Associates, PO Box 11937, Columbia, SC 29211-1937.
