

LAW ENFORCEMENT BODY CAMERAS NOW AVAILABLE ON STATEWIDE CONTRACT

The Highly anticipated STC for Body Cameras is finally here! The contracts were awarded to Axon Enterprise (4400031613) and Utility Associates (4400031612) and are effective 09/04/2019 – 09/03/2024. This contract is for all Using Governmental Units (UGU) and political subdivisions. These contracts contain the best negotiated prices for Body Cameras, In Car Video and SaaS: Video Storage, Software and Data for you, without having to do the heavy lifting on your own. There were two Lots awarded as follows: Lot 1 – Body Camera and In – Car Video and SaaS; Video Storage, Software, and Data. Lot 2 – Body Camera Video System and SaaS: Video Storage and Data. We are happy to have awarded this contract to give our law enforcement partners a reliable avenue to purchase these increasingly important tools. Our officers' safety is paramount to protecting and serving our communities and the great State of South Carolina.

Body Worn Video Camera (Lot 1 & 2)

Body Camera must be an individual unit with both onboard storage and internal battery or a wired unit containing a combination of camera unit, battery, and onboard storage (DVR) device. Must be capable of capturing both audio and video while being worn by an officer via a variety of mounting solutions.

In-Car Video (Lot 1 only)

In-Car Video as an individual unit or a combination of camera and storage (DVR) capable of capturing both audio and video while being secured to and/or in Patrol Vehicle via a variety of methods.

Video Management System and Storage (Lot 1 & 2)

This includes all supporting equipment and/or services for video storage, digital evidence management, and law enforcement tracking and review as required for operations.

A³ or “A cubed” is our brand! It summarizes our mission statement and serves as an ever present reminder of the commitment the Division of Procurement Services has made to itself, our State Government colleagues, and the public. In short, A³ stands for:

Acquire — We provide efficient, innovative, and responsive services to acquire information technology, construction, and goods and services through effective broad-based competition.

Administer — We provide guidance and oversight to promote integrity, ethical behavior, and increased public confidence in the acquisition process.

Advise — We provide training and advice to ensure compliance with law, policies, and practices.

Statewide Contract News

Be sure to take advantage of opportunities to provide feedback on existing or potential contracts. Market research and agency input requests are crucial to the formation of our contracts. Our goal is to establish contracts that are effective and efficient in meeting **your entity's needs**. The only way we can do that is through open communication and feedback. How can we serve you best?

If there is a contract that you would like to hear more information about, let us know. We can feature it as a highlight article in future *DisPatches*.

Market Research and Agency Input Requests for NEW State Term Contracts (STC):

The Office of State Procurement (OSP) is seeking input on the following recommendations for new State Term Contracts (STC). If you have any information you can share, please contact the appropriate procurement manager.

Proofpoint Software — The OSP will be publishing a solicitation for a new STC for Proofpoint software (which is an email protection system that provides encryption and threat detection) upon approval of our SaaS piggyback. Any questions or concerns please contact Carol Norfleet at cnorfleet@mmo.sc.gov or (803) 737-3224.

Varonis Data Security — The OSP has determined based upon market research that a STC will be published upon approval of our SaaS piggyback. **Any questions or concerns please contact** Will Butler at wbutler@mmo.sc.gov or (803) 737-9854.

Market Research and Agency Input Requests for existing State Term Contracts:

Hardware Maintenance Manager — The OSP will be publishing a solicitation for a new STC for Hardware Maintenance Manager providers late October or early November. If you have any concerns or comments about the way the existing contract is structured, please contact Carol Norfleet at cnorfleet@mmo.sc.gov or (803) 737-3224.

Biometric Time Keeping — The OSP will be publishing a RFP solicitation for a new STC for Biometric Time Keeping in December 2019. If you have any comments or concerns about the way the existing contract is structured, please con-

tact Randy Barr, Sr. at rbarr@mmo.sc.gov or (803) 896-5232.

Mail Services – Pre – Sort & Barcode — The OSP will be publishing a STC solicitation for Mail Services in January 2020. If you have any comments or concerns about the way the existing contract is structured, please contact Elicia Thompson at ethompson@mmo.sc.gov or (803) 737-0687

State Term Contracts that will NOT be renewed or resolicited:
