CP1706C CITY PARKING GARAGE ENGINEERING STUDY

CITY OF CHARLESTON -- INVITATION FOR PROFESSIONAL SERVICES

PROPOSED FORM OF CONTRACT: AIA B101-2007

Description of Project: The City's intent is to retain a consulting engineering firm with the qualifications and staff resources necessary to perform comprehensive inspections and evaluations, of eleven of the City owned parking garages and one College of Charleston owned parking garage listed below.

Name	Address
Aquarium	24 Calhoun Street
Camden/Exchange	35 John Street
Charleston Place	85 Hasell Street
Concord/Cumberland	1 Cumberland Street
East Bay/Prioleau	25 Prioleau Street
Gaillard Auditorium	32 Alexander Street
Majestic	211 King Street
Marion Square	399 King Street
Midtown	558 King Street
93 Queen Street	93 Queen Street
34 Saint Philip	34 St. Philip
Wentworth	81 Wentworth

Anticipated Construction Cost Range: \$200,000 to \$250,000

Description of Professional Services Anticipated for Project:

The consultant shall complete a comprehensive visual inspection of the garage to determine the condition of the structure and its principal elements including concrete structures, foundations, drainage systems, stairwells, structural steel, connections, joints, and parking decks noting the extent of structural and other deterioration.

If the Consultant determines additional testing is necessary, the consultant will develop and present to the City a testing plan requiring more than standard visual inspection and non-destructive evaluations. With the City's approval, the consultant will extract concrete cores, order laboratory analyses, and evaluate samples to determine physical conditions.

The inspection should also include visual examination of non-structural elements such as elevators, handrails, signage, lighting, pavements, and operational equipment. The inspection shall also include inspection and evaluation of the electrical and fire suppression systems.

The results of the inspections should be presented in a report with an executive summary of all the garages. Individual facility assessments shall also be included in the report. The report should contain detailed information regarding deficiencies observed, photographs, locations and quantities. The consultant shall prioritize the repairs and identify any that require immediate attention. The Consultant will use the information to prepare cost estimates for the recommended repairs.

Resumes:

Current Federal Standard Form 330 is to be submitted. If consultants are to be used, they must be included in a single Form 330 for the proposed team.

Selection Criteria:

A Selection Committee will evaluate the information submitted and will select three finalists for interviews. The following criteria will be used to evaluate each firm:

- A. Related experience on similar projects
- B. Past performance
- C. Demonstrated ability to meet time and budget
- D. Ability of professional personnel
- E. Creativity and insight related to project
- F. Location of firm

Invitations for Construction Bids

Please verify requirements for non-State agency advertisements by contacting the agency / owner. Projects expected to cost less than \$50,000 are listed under the Minor Construction heading.

LAKE MURRAY WTP REPLACEMENT SODIUM HYPOCHLORITE ONSITE GENERATORS

Sealed Bids will be received by the City of West Columbia (Owner) at the Owner's offices at the West Columbia City Hall, 200 North 12th Street (New Brookland Room), West Columbia, South Carolina until 2:00pm on April 27, 2017 for Lake Murray WTP Replacement Sodium Hypochlorite Onsite Generators.

At said place and time, and promptly thereafter, all Bids that have been duly received will be publicly opened and read aloud.

The proposed Work is generally described as follows:

The installation of Owner-furnished onsite sodium hypochlorite generators and associated appurtenances at the West Columbia Lake Murray Water Treatment Plant located on Old Cherokee Road in Lexington, South Carolina. The new onsite sodium hypochlorite generators will be installed in the existing Chemical Building. Appurtenances to be installed include transformer rectifiers, master control panel, hydrogen dilution blowers, cartridge filters, water softeners, heat exchangers, break tank, and transfer pumps.

All Bids must be in accordance with the Bidding Documents on file at the office of the Engineer, Black & Veatch Corporation, 1411 Gervais Street Suite 402, Columbia, South Carolina 29201. Copies of the Bidding Documents have been provided to iSqFt and Dodge Data and Analytics.

A secure link to the Bidding Documents and submittal for the Owner-furnished equipment may also be obtained from Black & Veatch Corporation by contacting Chad Walters by email at waltersc@bv.com, or by phone at 864-254-0638.

Neither Owner nor Engineer has any responsibility for the accuracy, completeness or sufficiency of any bid documents obtained from any source other than the source indicated in these documents. Obtaining these documents from any other source(s) may result in obtaining incomplete and inaccurate information. Obtaining these documents from any source other than directly from the source listed herein may also result in failure to receive any addenda, corrections, or other revisions to these documents that may be issued.

Bidders must be licensed contractors in the State of South Carolina.

Attendance at the Pre-Bid Conference as specified in the Instructions to Bidders, is mandatory.

Bids will be received on a lump sum basis, including alternatives as described in the Contract Documents.

Bid security must accompany each Bid.

The Successful Bidder will be required to furnish a construction performance bond and a construction payment bond as security for the faithful performance and the payment of all bills and obligations arising from the performance of the Contract.

If the Contract is to be awarded, Owner will give the Successful Bidder a Notice of Award within the number of days set forth in the Bid Form for acceptance of the Bid.

The Lieutenant Governor's Office on Aging will be developing a custom built financial and client services tracking application. The legislature has appropriated funds for the project.

The system will be used for to capture and track data on clients, services provided to the clients, the costs of those services, contacts, and case management. The data will be used for Federal and state reporting, program monitoring, and as verification for financial reimbursement.

Individuals will be hired through the South Carolina IT Temp procurement contract. Information on the contract can be found at <http://webprod.cio.sc.gov/SCSolicitationWeb/contractSearch.do?solicitnumber=5400008056>.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The link below takes you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules: <https://procurement.sc.gov/vendor/contract-ops/fixes-price-bids-ss>
