### NOTICE TO ALL CONSULTING ENGINEERING FIRMS

#### SOLICITATION NUMBER S-202-17

#### US 701 NORTH WIDENING FROM SC 319 TO SC 22 IN HORRY COUNTY

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT), on behalf of Horry County, requests a letter of interest and a current resume of qualifications from all interested consulting firms experienced in providing engineering services necessary for the development and delivery of preliminary roadway plans, environmental studies and documentation, geotechnical engineering, railroad coordination, right of way plans and final construction plans for roadways and bridges, right of way acquisition, and associated design/coordination services, for the widening of US 701 North for approximately 4.5 miles from SC 319 to SC 22 in Horry County. Requested services include but are not limited to: project management and preconstruction planning, field surveys, environmental studies and documentation, traffic engineering and studies, roadway design, hydrology/hydraulic design, geotechnical services, right of way title research, appraisals, and acquisition, right of way coordination, development of preliminary/final right of way plans, value engineering, development of preliminary/final construction plans, pavement marking and signing plan, maintenance of traffic plans, railroad coordination, value engineering study, construction phase services, engineer's estimate/project specific special provisions and other related duties deemed necessary. Requested Right of Way services include but are not limited to: preliminary cost estimates, title research, appraisals, acquisitions, and relocations.

Due to the unknown impacts of this widening project, the project is to be divided into multiple phases of work with Project Management and Preconstruction Planning, Field Surveys, Traffic Engineering and Traffic Study, Environmental Documentation and Permitting, Railroad Coordination, Preliminary Roadway Plans, Hydraulic/Hydrologic Studies, Geotechnical Investigations, Right-of-Way Plans, Final Construction Plans, Value Engineering Study, and Construction Phase Services being Phase I. Phase II of development will be at the discretion of SCDOT and will include Right of Way Acquisition Services. SCDOT intends to contract with one consultant team for development of the project.

The SCDOT and Horry County will select one Project team to provide these services. Consultants will be evaluated and ranked based on their score during the selection process. The SCDOT will perform contract negotiations with the selected Project Team and the final contract will be executed between the selected Consultant and Horry County. SCDOT reserves the right to modify these services if it is deemed to be in the best interest of the State of South Carolina.

Neither the Owner or the Engineer is responsible for any omissions or deletions to the bids submitted by the Contractor or Sub-Contractor due to receiving an incomplete or partial set of Plans and Specifications.

Bidders are required to inform themselves fully of all laws, ordinances and conditions relating to the construction and labor under which the work will be performed, and each contractor must employ, as far as possible, such methods and means in carrying out the work accordingly. Bidders are required to visit the site and become thoroughly familiar with all existing conditions before submitting a bid. Failure to do so will in no way relieve the successful bidder from the necessity of furnishing any materials or performing any work that may be required to complete the work in accordance with the true intent and meaning of the plans and specifications without additional cost to the owner.

No oral interpretations will be made to the bidders as to the meaning of the Plans and Specifications. Requests for interpretations or clarifications will not be made less than 3 days prior to receipt of proposals. All interpretations and clarifications made to bidders will be issued in the form of an addendum. Such addenda are to be covered in the proposals and in the closing contract they will become a part thereof.

Bid Bond in an amount equal to and not less than five percent (5%) of the gross amount of the base bid is required. If the successful bidder fails to execute the contract within ten (10) of board approval, or fails to give satisfactory surety as required by law, the above deposit will be retained by Owner as liquidated damages. No bidder may withdraw his bid within sixty (60) days after opening thereof.

Pre-Bid Meeting: A mandatory pre-bid meeting will be held at 9:00am on April 26, 2017, at Berkeley County School District, 2226 Old Highway 52, Moncks Corner, SC 29461. Attendance is mandatory. A site visit to each school will follow.

All contractors are hereby notified that they shall be properly licensed in accordance with the provisions of Section 40-11-10 through 40-11-340 of the Code of Laws of South Carolina, 1976 as amended.

The Owner reserves the right to accept or reject any and or all bids and, to waive minor informalities and to award the Contract to another other than to low bidder, should it be deemed in his best interest.

Berkeley County School District has the sole right to make a determination as to the responsiveness of the bid, the responsibility of the bidders, and the reasonableness of bid pricing.

**BERKELEY COUNTY SCHOOL DISTRICT**

Sealed bids will be received by Berkeley County School District, 2226 Old Highway 52, Moncks Corner, SC 29461 until 3:30pm on May 9, 2017, at which time they will be publicly opened and read for the Bid Package 4 Hanahan Middle School Science Wing Selective Roof Replacement/Repairs project in Berkeley County, SC. Base Bid work includes total removal of existing roofing systems down to the structural deck for Roof Area A for approximately 185 squares. Roof replacement includes minor deck repairs, rough carpentry, roof insulation, including taper, and a granular-surfaced, three-ply and modified bitumen roof system. All associated sheet metal components and accessories are included. Removal of minor, non-friable asbestos containing roof materials is included.

Alternate Number 1 work includes various repairs to the other Roof Areas (A1, A2, B, B1, B2, B3, B4, C, C1, D, E, E1, E2, E3 and E4) in accordance with the roof repair plan.

Bids must be on standard forms furnished by ADC Engineering, Inc. and must be addressed to Berkeley County School District at the address as noted above.

Plans and specifications may be obtained from <https://bcsdextranet.bcsdschools.net/SolicitationPostings/>

### SALUDA COUNTY -- PRE-EMPLOYMENT HEALTH SCREENING

Saluda County is requesting proposals from qualified vendors to perform Pre-Employment health screening physicals for possible EMS and Firefighter personnel for a period of three (3) years (2017, 2018 and 2019).

Interested vendors will be required to submit an original and four (4) copies of their proposal along with a "Mandatory Information Form" at the following physical address no later than 3:00pm, Wednesday, May 17, 2017. To request a proposal package, please contact:

Regina Turner  
Saluda County Administration  
400 West Highland Street  
Saluda, South Carolina 29138  
[R.Turner@SaludaCounty.SC.Gov](mailto:R.Turner@SaludaCounty.SC.Gov)  
Web site: [SaludaCounty.SC.Gov](http://SaludaCounty.SC.Gov)

This request for proposal does not commit Saluda County to award a contract or to procure or contract for the services. Saluda County reserves the right to reject, in whole or in part, any and all proposals, to negotiate with any or all responsible and responsive offerors, and in its sole discretion, to determine the responsiveness of the proposals. Proposals which do not meet the mandatory requirements, will be considered non-compliant and rejected if it is in the best interest of the county to do so.

### COLLEGE OF CHARLESTON

Description: CofC intends to sole source Keiser Corporation Pneumatic Weight Room Equipment.

The College is looking for a supplier of Pneumatic Power Racks and various Pneumatic fitness machines. All equipment is to allow the user to change resistance at any time during the exercise. Resistance adjustments in 1/10lb increments at any time with the push of a button. The equipment to have large digital displays that counts repetitions, measure peak power in watts and can also measure a percentage of peak power in every repetition. Power racks have foot pedals at the bottom of rack for adjusting resistance which allows the lifter to change resistance by themselves while inside the rack.

Pneumatic attachment to fit over accessories (Olympic bar, vest, pulley handles, etc.) Example would be using an Olympic Bar attached to pneumatics and free weight at the same time. Racks to have Assisted Pneumatic Pull-Up Cables to enable work without a spotter.

The compressor to have a back-up motor/provide a filter for clean air/also dry the air before sending to each machine.

The notice of intent to Sole Source is to determine the availability of vendors able to provide the requested equipment. All information submitted should support the vendors capability to provide the product required and must meet or exceed requirements. Please send responses via e-mail in pdf or Microsoft word format to College of Charleston, Attn: Lew SanFelice, [sanfelicel@cofc.edu](mailto:sanfelicel@cofc.edu). The contact deadline is 4/25/2017 by 9:00am.

This intent to Sole Source was originally posted on 4/7/2017 with an incorrect deadline of 6/14/2017.
