Intent To Sole Source

SOUTH CAROLINA DEPARTMENT OF HEALTH & ENVIRONMENTAL CONTROL

The South Carolina Department of Health & Environmental Control (DHEC) is seeking a qualified vendor to provide modules to expand the capabilities of Palmetto, which is the South Carolina Emergency Management Division's Common Operating Picture.

Requirements include but are not limited to: add a layer to input, store, retrieve and display specified information about health care facilities; select and display these facilities, based on the intersection of facility locations relative to other layers defined within Palmetto; and provide polygon-based search and export tools to select and list facilities located within user-defined polygons. The module must also conform to Palmetto's look-

and-feel to maintain compatibility with user training and procedures; write, search and retrieve data from Palmetto without pre- or post-processing; and allow import from and export to Excel.

Qualified vendors should contact E. Madison Winslow at 803-898-3487 by June 20, 2017, for additional information.

SCBO Notices

SOUTH CAROLINA ASSOCIATION OF GOVERNMENTAL PURCHASING OFFICIALS

SCAGPO is currently registering members and vendors for our Annual Professional Development Forum & Trade Show currently scheduled for November 15-17, 2017. Pre-Forum events begin on Tuesday November 14, 2017. Historically, vendor participants have met and networked with over 200 Public Procurement professionals from State and Local Government entities through our Vendor Trade Show, Networking Socials, and complimentary educational sessions. This year's event will occur at the Myrtle Beach Marriott Resort & Spa. Registration and hotel information is available on our website: <http://scagpo.org/meetinginfo.php?id=53&ts=1487195123>.

This event is a favorite for many of our vendors. Please review previous meeting information for information on previous events.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The link below takes you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules: <https://procurement.sc.gov/vendor/contract-opps/fixes-price-bids-ss>

REVERSE TRADE SHOW

Excellent opportunity for small, minority, new start-up, veteran and historically under-utilized businesses but a great networking event for any business.

Visit different agency booths at each location to learn how to maximize the public procurement process, increase networking opportunities and meet with State-wide Municipalities, Counties, School Districts and State Procurement Agency officials.
