

Herald Office Supply

We posted in the newsletter that Herald Office Supply was working with a new supplier for office supplies, and that until such time as they could get a new supplier, there may be an impact on their ability to provide supplies. We are happy to tell you that the situation is resolved and Herald Office Supplies is fully capable of meeting your office supply needs, and they look forward to continuing to provide services to the State.

September dispatch has been updated to reflect the changes on our website
