WE'RE BUILDING A NEW SCBO FOR 2018...

Vendors and Advertisers:

We are excited to announce that *South Carolina Business Opportunities* will soon migrate from the traditional newsletter publication to a **live database** of all advertisements for open solicitations.

Readers will select only the ads which pertain to them and in which they're interested. No more sifting!

Advertisers will upload their own content directly to our site. No more email attachments!

In the coming days, we'll share more with you about our new platform (Hint, see the sneak peek below). We know you'll be as excited as we are to bring you better service in the years ahead.
