PRE-SOLICITATION CONFERENCE FOR RESIDENTIAL SERVICES FOR CHILDREN

Pre-Solicitation Conference for Residential Services for Children. These services are currently being provided under Solicitation No.: 5400002734.

The contracts awarded under the above solicitation are set to expire on June 30, 2018.

The State Fiscal Accountability Authority and the agencies who utilize these contracts are in the process of drafting a new solicitation (No.: 5400013725). Vendors are invited to attend a meeting with representatives from those agencies to discuss any issues concerning the existing contracts, and the proposed changes to be incorporated into the new solicitation.

The meeting will be held on February 8, 2018 from 10:00am until 12:30pm at the Department of Disabilities and Special Needs:

3440 Harden Street Extension
Columbia, SC 29203

It is important that we get maximum participation from vendors so that we are best able to create a scope of work that both meets the children's needs and is acceptable to the agencies and the providers who are ultimately awarded contracts.

Please note that the agencies involved in this procurement are the Department of Juvenile Justice (DJJ), the Department of Disabilities and Special Needs (DDSN), the Department of Mental Health (DMH), and the Office of the Governor, Continuum of Care for Emotionally Disturbed Children Division (COC). The Department of Social Services (DSS) is acquiring similar services through their own, separate, solicitation, and will NOT be utilizing contracts awarded under the solicitation to be discussed at this meeting.

We look forward to seeing you on February 8, 2018.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term.
