## NOTICE TO ALL CONSULTING ENGINEERING FIRMS

### SOLICITATION NUMBER S-185-17

#### I-26 RECONSTRUCTION IN DORCHESTER AND ORANGEBURG COUNTIES MM 149 TO MM 172

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) requests a letter of interest and a current resume of qualifications from all interested consulting firms experienced in providing complete engineering services necessary for the preparation of preliminary road and bridge plans, environmental studies and documentation, right of way plans, and final construction plans for roadways and bridges in South Carolina. The I-26 Reconstruction Project is a proposed transportation project on I-26 between mile marker 149 in Orangeburg County and mile marker 172 in Dorchester County. The project consists of milling and resurfacing to repair distressed pavement structure, cross slope correction, bridge jacking, bridge replacements, bridge rehabilitations, median clearing, and cable guardrail installation. The bridge jacking's to ensure a minimum vertical clearance of 16' for all overpasses within the project corridor. SCDOT reserves the right to modify the termini if it is deemed to be in the best interest of the State of South Carolina.

Requested services include but are not limited to: project management, surveys and mapping, public involvement, alternatives analyses and cost estimating, environmental studies/documentation/permitting, subsurface utilities engineering, utility coordination/plans, geotechnical services, hydraulic/hydrologic design, roadway design/plans, bridge/structure design/plans, right of way phase support services, and construction phase support services. The project team should be capable of providing all services outlined above.

The SCDOT will select one Project Team to provide these services. Consultants will be evaluated and ranked based on their score during the selection process.

[http://info.scdot.org/SCDOTProfessionalServ/SitePages/constructionLetting\\_Services.aspx#tabs-5](http://info.scdot.org/SCDOTProfessionalServ/SitePages/constructionLetting_Services.aspx#tabs-5).

For questions, please contact the SCDOT Contracting Officers (CO), Wendy Hollingsworth, at 803-737-0746 or via email at [Hollingswg@scdot.org](mailto:Hollingswg@scdot.org). Electronic submissions are due no later than 2:00pm, January 26, 2017.

**NOTICE TO ALL CONSULTING ENGINEERING FIRMS****SOLICITATION NUMBER: S-186-17****INTERSTATE-526 (I-526) WIDENING PHASE II (I-26 TO US 17)**

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) requests a letter of interest and a current resume of qualifications from all interested consulting firms experienced in providing complete engineering services necessary for the capacity improvements of I-526 between I-26 and US 17 in Berkeley and Charleston Counties. The project consists of Operational improvements, including Interchange improvements and mainline widening for approximately 11 miles on I-526 between mile marker 19 and mile marker 30; NEPA studies including traffic analyses will determine the logical termini and preferred alternative for capacity and safety improvements along the corridor. Should the traffic analysis result in a recommendation of extending the termini of the project, SCDOT will consider the recommendation and reserves the right to modify the termini if it is deemed to be in the best interest of the State of South Carolina.

Requested services include but are not limited to: project management, surveys and mapping (photogrammetric and ground), preparation of preliminary road and bridge plans, final right of way and construction plans, traffic studies and modeling including interchange modification reports, traffic management strategies, alternatives analyses and cost estimating, cost & schedule risk assessment, value engineering, environmental studies/documentation/permitting, project implementation and approach, subsurface utilities engineering, utility coordination/plans, geotechnical services, pipe inspections, hydraulic design, railroad coordination, technical memorandums, administrative record, financial planning, construction services (including constructability reviews, construction phase design services, and construction administration), hazardous materials survey, right of way coordination and acquisition, sand design of accident investigation areas as necessary. If the constructed method is modified from design-bid-build to design-build, the project team services will include support during the development of the RFQ & RFP, support during the procurement phase, design plan review and administration during the design build contract, and other duties deemed necessary. The project team should be capable of providing all services outlined above. SCDOT reserves the right to modify these services if it is deemed to be in the best interest of the State of South Carolina.

The SCDOT will select one Project Team to provide these services. Consultants will be evaluated and ranked based on their score during the selection process.

[http://info.scdot.org/SCDOTProfessionalServ/SitePages/constructionLetting\\_Services.aspx#tabs-5](http://info.scdot.org/SCDOTProfessionalServ/SitePages/constructionLetting_Services.aspx#tabs-5)

For questions, please contact the SCDOT Contracting Officers (CO), Wendy Hollingsworth, at 803-737-0746 or via email at [Hollingswg@scdot.org](mailto:Hollingswg@scdot.org). Electronic Submissions are due no later than 2:00pm, January 26, 2017.

**NOTICE TO ALL CONSULTING ENGINEERING FIRMS****SOLICITATION NUMBER S-187-17**

Four Bridge Replacement Package: (Bridges are listed in order of criticality as deemed by SCDOT.)  
US 301 Southbound Bridge replacement over S. Edisto River in Bamberg County  
US 301 N.B. Bridge replacement over Snake Swamp in Orangeburg County  
US 521 Bridge Replacement over Big Pine Tree Creek in Kershaw County  
SC 421 Bridge Replacement over Little Horse Creek in Aiken County

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) requests a letter of interest and a current resume of qualifications from all interested consulting firms experienced in providing engineering services necessary for the development and delivery of preliminary roadway and bridge plans, environmental studies and documentation, environmental permitting, right of way plans and final construction plans for roadways and bridges, and associated design/coordination services, for the replacement of four (4) bridges located in Bamberg, Orangeburg, Kershaw and Aiken Counties. Consulting firms will be asked to identify each bridge replacement project(s) the firm is interested in within the Letter of Interest contained in the submitted RFP response. Each firm may express interest in one or more of the projects. For each project identified in the Letter of Interest two (2) ad-

ditional proposal document pages will be allowed for project approach/understanding in addition to the 25 basic RFP response pages allowed. This will result in a total of 33 maximum allowed RFP response pages.

Requested services include but are not limited to: project management, field surveys, traffic studies, , environmental studies and documentation including public involvement, environmental permitting, bridge design, structural design, roadway design, hydrology/hydraulic design, geotechnical services, hazardous materials survey, subsurface utility engineering, utility coordination, right of way phase support, right of way coordination, development of preliminary/final right of way plans, value engineering, development of preliminary/final construction plans, pavement marking and signing plan, constructability review, construction phase services, engineer's estimate/project specific special provisions and other related duties deemed necessary. The project teams should be capable of providing all services outlined above.

The SCDOT will select four (4) different consultant firms (one per bridge replacement project) to provide these services. Consultants will be evaluated and ranked based on their score during the selection process. A consultant firm can only be awarded one bridge replacement project within this RFP regardless of the number of projects that the consultant expresses interest in. RFP responses will be evaluated and scored for each bridge project. The highest ranking firm for the highest ranked bridge will be awarded that project, but then will not be a contender for the remaining bridge projects. This procedure will be repeated for the remaining bridge projects.

## SCBO Notices

### NOTICE OF LISTING FOR SALE AT PUBLIC AUCTION AS OF JANUARY 1, 2017

#### THE PORT OF PORT ROYAL, BEAUFORT COUNTY, SOUTH CAROLINA

##### Unique Waterfront Acquisition Opportunity

Project: To sell approximately 51.6 acres of highlands and 265.91 acres of marshland, commonly known as the Port of Port Royal.

Project Description: Pursuant to Proviso 93.32 of the 2016-2017 South Carolina General Appropriations Act and Section 54-3-700 of the South Carolina Code of Laws, the South Carolina Department of Administration (Admin) will sell the Port of Port Royal property through a public auction process.

Admin was required to obtain a new appraisal for the property. That appraisal has been received and may be viewed at <http://www.admin.sc.gov/generalservices/surplus-real-property>.

As of Jan. 1, 2017, the property is listed for sale at public auction. The auction will be open for 90 days. Initial qualifying offers must be submitted by midnight on March 16, 2017. Best and final qualifying offers from those submitting initial qualifying offers will then be due no later than midnight on March 31, 2017. For complete bidding instructions, please visit the CBRE website linked below. The property must be sold at a price that is equal to or greater than 80 percent of the appraised value.

This waterfront property is in a relatively undeveloped part of coastal South Carolina. The property has an approved pre-development plan and is currently permitted for a 250 slip marina. The property must be sold at a price that is equal to, or greater than, eighty percent of the appraised value. Prospective purchasers will have an opportunity to acquire the property through an auction which will run for a period of ninety (90) days. Award will be made to the highest bidder and will include a ninety (90) day due diligence period. For additional information on the property, please visit the CBRE Sale of the Port of Port Royal website at [www.cbre.com/PortRoyal](http://www.cbre.com/PortRoyal).

### VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
