NOTICE TO ALL CONSULTING ENGINEERING FIRMS

SOLICITATION NUMBER S-212-17

HORRY COUNTY RIDE III PROGRAM – FORESTBROOK ROAD WIDENING

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) requests, on behalf of Horry County a letter of interest and a proposal containing qualifications from all interested consulting firms experienced in providing engineering services for the Forestbrook Road Widening in Horry County. The project consists of widening Forestbrook Road for approximately 5 miles from US 501 to Dick Pond Road and associated improvements to Dick Pond Road. A traffic analyses will determine the typical section for capacity and safety improvements along the corridor.

Requested services include but are not limited to: project management, surveys and mapping, preparation of preliminary road plans, final right of way and construction plans, geotechnical engineering, traffic studies and modeling, traffic signal design, traffic management strategies, maintenance of traffic plans, pavement marking and signal plans, alternatives analyses and cost estimating, environmental studies/documentation/permitting, hydraulic design, construction phase services, and right of way coordination and acquisition. The project team should be capable of providing all services outlined above. SCDOT reserves the right to modify these services if it is deemed to be in the best interest of the State of South Carolina.

Due to the unknown impacts of this widening project, the project is to be divided into multiple phases of work with Project Management and Preconstruction Planning, Field Surveys, Traffic Engineering and Traffic Study, Environmental Documentation and Permitting, Preliminary Roadway Plans, Hydraulic/Hydrologic Studies, Geotechnical Investigations, Right-of-Way Plans, Final Construction Plans, and Construction Phase Services being Phase I. Phase II of development will be at the discretion of SCDOT and will include Right of Way Acquisition Services. SCDOT intends to contract with one consultant team for development of the project.

The SCDOT and Horry County will select one Project Team to provide these services. Consultants will be evaluated and ranked based on their score during the selection process. The SCDOT will perform contract negotia-

tions with the selected Project Team, and the final contract will be executed between the selected Consultant and Horry County.

Whether or not there is a Disadvantaged Business Enterprise (DBE) goal on this contract, proposer is strongly encouraged to obtain the maximum amount of DBE participation feasible on the contract. The selected consultant will be required to report all DBE participation through the DBE Quarterly Report required in the supplemental specification.

RFP information associated with this solicitation is located at the following link:

http://info.scdot.org/SCDOTProfessionalServ/SitePages/constructionLetting_Services.aspx#tabs-5

For questions, please contact the SCDOT Contracting Officer, Wendy Hollingsworth at 803-737-0746 or via email at Hollingswg@scdot.org, or Diane Stubbs at 803-737-4901 or via email at Stubbsdg@scdot.org. Electronic Submissions are due no later than 2:00pm, August 11, 2017.

NOTICE TO ALL CONSULTING ENGINEERING FIRMS

SOLICITATION NUMBER S-213-17 -- HORRY COUNTY RIDE III PROGRAM

FRED NASH BOULEVARD WIDENING AND EXTENSION TO HARRELSON BOULEVARD

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) requests, on behalf of Horry County a letter of interest and a proposal containing qualifications from all interested consulting firms experienced in providing engineering services for the extension of Fred Nash Boulevard in Horry County. The project consists of widening Fred Nash Boulevard to a three lane section and extending the road from its current termini to Harrelson Boulevard for a total project length of approximately 2.4 miles.

Requested services include but are not limited to: project management, surveys and mapping, preparation of preliminary road plans, final right of way and construction plans, geotechnical engineering, culvert design, traffic studies and modeling, traffic signal design, traffic management strategies, maintenance of traffic plans, pavement marking and signing plans, alternatives analyses and cost estimating, environmental studies/documentation/permitting, hydraulic design, construction services (including constructability reviews, construction phase design services, and construction administration, and right of way coordination and acquisition. The project team should be capable of providing all services outlined above. SCDOT reserves the right to modify these services if it is deemed to be in the best interest of the State of South Carolina.

Due to the unknown impacts of this project, the contract will be divided into multiple phases of work with Project Management and Preconstruction Planning, Field Surveys, Traffic Studies and Traffic Signal Design, Environmental Documentation and Permitting, Preliminary Roadway Plans, Hydraulic/Hydrologic Studies, Geotechnical Investigations, Right-of-Way Plans, Final Construction Plans, and Construction Phase Services being Phase I. Phase II of development will be at the discretion of SCDOT and will include Right of Way Acquisition Services. SCDOT intends to contract with one consultant team for development of the project.

The SCDOT and Horry County will select one Project Team to provide these services. Consultants will be evaluated and ranked based on their score during the selection process. The SCDOT will perform contract negotiations with the selected Project Team, and the final contract will be executed between the selected Consultant and Horry County.

Whether or not there is a Disadvantaged Business Enterprise (DBE) goal on this contract, proposer is strongly encouraged to obtain the maximum amount of DBE participation feasible on the contract. The selected consultant will be required to report all DBE participation through the DBE Quarterly Report required in the supplemental specification.

RFP information associated with this solicitation is located at the following link:

NOTICE TO ALL CONSULTING ENGINEERING FIRMS

SOLICITATION NUMBER S-214-17

HORRY COUNTY RIDE III PROGRAM - US 17 BUSINESS INTERSECTION IMPROVEMENTS

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) requests, on behalf of Horry County a letter of interest and a proposal containing qualifications from all interested consulting firms experienced in providing engineering services for the US 17 Business Intersection Improvements in Horry County. The project consists of improving the following three (3) intersections along US 17 Business in Horry County:

1. US 17 Business and Inlet Square Boulevard and Mt. Gilead Road
2. US 17 Business and Atlantic Avenue
3. US 17 Business and Garden City Connector

Requested services include but are not limited to: project management, surveys and mapping, preparation of preliminary road plans, final right of way and construction plans, geotechnical engineering, traffic studies and modeling, traffic signal design, traffic management strategies, maintenance of traffic plans, pavement marking and signal plans, alternatives analyses and cost estimating, environmental studies/documentation/permitting, hydraulic design, construction phase services, and right of way coordination and acquisition. The project team should be capable of providing all services outlined above. SCDOT reserves the right to modify these services if it is deemed to be in the best interest of the State of South Carolina.

Due to the unknown impacts of this widening project, the project is to be divided into multiple phases of work with Project Management and Preconstruction Planning, Field Surveys, Traffic Engineering and Traffic Study, Environmental Documentation and Permitting, Railroad Coordination, Preliminary Roadway Plans, Hydraulic/Hydrologic Studies, Geotechnical Investigations, Right-of-Way Plans, Final Construction Plans, and Construction Phase Services being Phase I. Phase II of development will be at the discretion of SCDOT and will include Right of Way Acquisition Services. SCDOT intends to contract with one consultant team for development of the project.

The SCDOT and Horry County will select one Project Team to provide these services. Consultants will be evaluated and ranked based on their score during the selection process. The SCDOT will perform contract negotiations with the selected Project Team, and the final contract will be executed between the selected Consultant and Horry County.

SCBO Notices

SOUTH CAROLINA ASSOCIATION OF GOVERNMENTAL PURCHASING OFFICIALS

SCAGPO is currently registering members and vendors for our Annual Professional Development Forum & Trade Show currently scheduled for November 15-17, 2017. Pre-Forum events begin on Tuesday November 14, 2017. Historically, vendor participants have met and networked with over 200 Public Procurement professionals from State and Local Government entities through our Vendor Trade Show, Networking Socials, and complimentary educational sessions. This year's event will occur at the Myrtle Beach Marriott Resort & Spa. Registration and hotel information is available on our website: <http://scagpo.org/meetinginfo.php?id=53&ts=1487195123>.

This event is a favorite for many of our vendors. Please review previous meeting information for information on previous events.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The link below takes you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules: <https://procurement.sc.gov/vendor/contract-opp/fixes-price-bids-ss>
