Volume 37, Issue 300

It happens on **Friday, March 23, 2018**. *South Carolina Business Opportunities* will be reincarnated as an on-going database of advertisements for open solicitations.

Public agency advertisers (not vendors), please visit <https://scbo.sc.gov/account-request> to register yourself and your organization!

If you are a **vendor** who reads SCBO for solicitations on which to bid, there is no need to register.

(For SC State Government agencies advertising in SCEIS, no change.)

This move will make our advertisements highly searchable and will tailor the readers' experience to their individual interests! Advertisers will **CREATE AND UPLOAD THEIR OWN ADS** in our new platform, eliminating the need to send them to the SCBO editor for review and layout.
