Purchase prices quoted are valid for the term of the agreement provided that there is no increase to CSA MSRP at any point after submission of proposal or during the terms of the agreement. Should there be an increase to CSA MSRP, the purchase prices may be increased; however, CSA shall endeavor to hold the same discount percentage off CSA MSRP. Lease prices are valid for 90 days from our proposal date, and are firm once a lease is commenced. Leased equipment added to the contract will be subject to the then current lease rate times the fixed purchase price, and will be provided for non-coterminous lease terms.
