21. Item Substitution: No Substitutes will be allowed on Purchase Orders received from South Carolina procurement units without written permission from the issuing procurement unit.
22. Administrative Fee: Procurement Services (PS) issues and maintains State term contracts for the benefit of all South Carolina state and local public entities. State term contracts allow all public entities to maximize their purchasing power by aggregating their requirements and to benefit from increased efficiencies in the acquisition process. In order to maintain and enhance the quality and quantity of its State term contracts, each participating public procurement unit will be assessed an administrative fee. Accordingly, a public procurement unit (as defined in S.C. Code Ann. § 11-35-4610(5)), by participating in this contract, owes (PS) an administrative services fee ("fee"). Participating public procurement units shall pay the fee to contractor as a part of the contract price. Contractor is responsible both for collecting the fee at the time of billing and for remitting the fee to PS. The fee to be collected by the contractor constitutes a debt by the contractor to PS. Contractor shall factor the fee into its contract pricing and shall not separately itemize or invoice for the fee.

For each reporting period, Contractor shall pay to PS a fee equal to one (1%) percent of the total dollar amount (excluding sales taxes and adjusted for credits or refunds) of catalog purchases made by any public procurement unit from Contractor pursuant to this contract.

(a) As used in this clause, the term "reporting period" means each full calendar quarter (Jan. -- Mar., Apr. -- Jun., Jul. -- Sep., and Oct. -- Dec.) and any remaining periods less than a full calendar quarter during the term of this contract. For each reporting period, contractor shall report to PS its total sales pursuant to this contract for the period and shall remit the fee to the PS Reports Manager. Payment for each reporting period is due no later than the last day of the month immediately following the end of the reporting period (Example: payment for the reporting period ending March 31 is due April 30). If the amount due for a reporting period is less than \$10.00, no payment is required. The procurement officer will provide contractor an information packet, including a detailed explanation of reporting and payment requirements, within fifteen (15) calendar days following contract award. You may contact the Reports Manager at:

Procurement Services Division
Attn: Reports Manager
1201 Main Street, Suite 600
Columbia, SC 29201
Phone: (803) 737-0600 (ask to speak to the Reports Manager)

(b) Contractor shall submit a usage report for each reporting period, even if no payment is due for the reporting period. The usage report shall include any information requested by PS to verify the amount due. At a minimum, each usage report shall reflect the following information for the applicable reporting period: contractor's name, contract number, contract

description, reporting period/quarter, total dollar value of sales (excluding sales taxes and showing any adjustments for credits or refunds), total number of units (if practicable), and the number, date, and amount of contractor's check to PS. Unless otherwise specified by the reports manager, the usage report shall be submitted electronically according to instructions in the information packet. If the reports manager requires the contractor to provide a more detailed usage report, the reports manager will work directly with the contractor to determine the appropriate content and format of the report.

(c) PS or its authorized representatives shall be afforded access to contractor's records (including, without limitation, bank statements, deposits, checks; invoices; correspondence; ledgers; receipts; transmittals) in order to audit all transactions involving goods sold, work performed, or fees due pursuant to this contract, consistent with paragraph 24 of the Master Agreement. PS agrees not to disclose any material discovered or produced during the audit that the contractor reasonably designates as proprietary or confidential. If the audit indicates that contractor has materially underpaid PS, then contractor shall remit the balance found to be due (including any amounts assessed pursuant to subparagraph (d)) and reimburse PS for all costs of the audit.

(d) Payments of the fee which are due and unpaid by the contractor (including amounts disclosed by audit) shall bear simple interest from the date due until paid unless paid within 30 calendar days of becoming due. The interest rate shall be the highest prime rate (as published in The Wall Street Journal) plus 2% per annum (unless a higher rate is provided by law, but in no event be greater than the maximum interest rate permitted by law), shall be variable, and shall be adjusted effective at the close of business on the day of any change in the prime rate. In addition to the fee and interest, contractor agrees to pay to PS its reasonable expenses of collection, including costs and attorneys' fees (and fees for inside counsel), whether or not PS commences legal action.

(e) If the contractor fails to (i) timely submit accurate usage reports; (ii) remit to PS the fee when due; or (iii) promptly and fully cooperate with an audit request, the State may, without prejudice to any other remedy available to the State, take any one or more of the following actions:

- (1) order the contractor to not accept any further orders under the contract until the cause for such order has been eliminated;
- (2) terminate this contract;
- (3) order the contractor to not accept any further orders under any other statewide term contract;
- (4) terminate the contractor's award of any other statewide term contract.

(f) For purposes of this clause, PS is intended as a third-party beneficiary of this contract. Reports MUST reference the SC Participating number 4400034552 to assure accurate accounting of purchases under this contract and reported administrative fees. Each remittance will include the period covered and the contract number. (S.C. Code Ann. § 11-35-4860(5))

23. **Taxes:** Any tax the contractor may be required to collect or pay upon the sale, use or delivery of the products shall be paid by the State, and such sums shall be due and payable

to the contractor upon acceptance. Any personal property taxes levied after delivery shall be paid by the State. It shall be solely the State's obligation, after payment to contractor, to challenge the applicability of any tax by negotiation with, or action against, the taxing authority. Contractor agrees to refund any tax collected, which is subsequently determined not to be proper and for which a refund has been paid to contractor by the taxing authority. In the event that the contractor fails to pay, or delays in paying, to any taxing authorities, sums paid by the State to contractor, contractor shall be liable to the State for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay. Taxes based on Contractor's net income or assets shall be the sole responsibility of the contractor. (S.C. Code Ann. Title 12, Chapter 36)

24. Subcontractors: All contractors, dealers, and resellers authorized in the State of South Carolina as shown on the dedicated Contractor (cooperative contract) website, are approved to provide sales and service support to participants in the NASPO ValuePoint Master Agreement. The contractor's dealer participation will be in accordance with the terms and conditions set forth in the aforementioned Master Agreement.
25. Orders: Any order placed by a Participating Entity or Purchasing Entity for a product and/or service available from this Master Agreement shall be deemed to be a sale under (and governed by the prices and other terms and conditions) of the Master Agreement unless the parties to the order agree in writing that another contract or agreement applies to such order.
26. Term of Contract: The initial term of this contract will begin on the final execution date of this Participating Addendum. The initial term will end at the end of the then current term of the Master Agreement at the time the Participating Addendum is executed. At the end of the initial term, and at the end of each renewal term, this contract shall renew for a period of one (1) year. Regardless, this contract expires no later than the expiration date of the NASPO ValuePoint Master Agreement. (S.C. Code Ann. § 11-35-2030)
27. Insurance:
- (a) Without limiting any of the obligations or liabilities of Contractor, Contractor shall procure from a company or companies lawfully authorized to do business in South Carolina and with a current A.M. Best rating of no less than A: VII, and maintain for the duration of the contract, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work and the results of that work by the contractor, his agents, representatives, employees or subcontractors.
- (b) Coverage shall be at least as broad as:

general aggregate limit applies, the general aggregate limit shall be twice the required occurrence limit. This contract shall be considered to be an "insured contract" as defined in the policy.

(2) Auto Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limits no less than \$1,000,000 per accident for bodily injury and property damage.

General liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used. (d) For any claims related to this contract, the Contractor's insurance coverage shall be primary insurance as respects the State, every applicable Using Governmental Unit, and the officers, officials, employees and volunteers of any of them. Any insurance or self-insurance maintained by the State, every applicable Using Governmental Unit, or the officers, officials, employees and volunteers of any of them, shall be excess of the Contractor's insurance and shall not contribute with it.

All certificates are to be received and approved by the State before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The State reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by this section, at any time.

(f) Should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions. In addition, the Contractor shall notify the State immediately upon receiving any information that any of the coverages required by this section are or will be changed, cancelled, or replaced.

(g) Contractor hereby grants to the State and every applicable Using Governmental Unit a waiver of any right to subrogation which any insurer of said Contractor may acquire against the State or applicable Using Governmental Unit by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the State or Using Governmental Unit has received a waiver of subrogation endorsement from the insurer.

(h) Any deductibles or self-insured retentions must be declared to and approved by the State. The State may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
