BB. INDEMNIFICATION-

A. THIRD PARTY CLAIMS – GENERAL (NOV 2011):

Notwithstanding any limitation in this agreement, and to the fullest extent permitted by law, Contractor shall defend and hold harmless Indemnitees for and against any and all suits or claims of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which are attributable to bodily injury (including death), or to injury to or destruction of real or tangible property arising out of or in connection with the goods or services provided by Contractor to the State hereunder or caused in whole or in part by any act or omission of contractor, its subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable in Contractor's performance of this Agreement; however, if an Indemnatee's negligent act or omission is the sole proximate cause of a suit or claim, the Indemnatee shall not be entitled to indemnification hereunder. Contractor shall be given timely written notice of any suit or claim. Contractor's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancelation, or expiration of the parties' agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause, "Indemnitees" means the State of South Carolina, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees.

State by the Contractor under this Agreement infringes on that party's patent or copyright, Contractor will defend the State against that claim at its expense and pay all costs, damages, and attorney's fees that a court finally awards against the State or that are included in a settlement approved by Contractor, provided that the State: (i) promptly notifies Contractor in writing of the claim; (ii) allows Contractor to control, and cooperates with Contractor in, the defense; and (iii) is and remains in compliance with the State's obligations in this Section ("Third Party Claims – Intellectual Property Infringement Protection"). Control of the defense of the claim includes the right to take any and all actions deemed appropriate by Contractor in its sole discretion to resolve the claim by settlement or compromise so long as (i) all settlement payments are made by Contractor, and (ii) the settlement imposes no non-monetary obligation upon the State. Notwithstanding the foregoing, nothing herein authorizes Contractor to waive either the State's sovereign immunity or the State's immunity under the Eleventh Amendment of the United States Constitution, or any immunity enjoyed by a local public procurement unit, except and only to the extent provided for by the General Assembly. The foregoing is Contractor's entire obligation to the State and the State's exclusive remedy regarding any claim of infringement. If such a claim is made or appears likely to be made, the State shall permit Contractor, in Contractor's sole discretion, to enable the State to continue to use the Product; to modify it; or to replace it with one that is at least functionally equivalent. If Contractor determines that none of these alternatives is reasonably available, the State shall promptly return the Product to Contractor at its written request. Contractor will then provide a credit to the State in an amount equal to the net book value of the Product according to generally accepted accounting principles. Contractor shall have no obligation regarding any claim based upon: (i) anything the State or a third party on the State's behalf provides which is incorporated into, or combined with, a Product, except for such an incorporation or combination that the Contractor specifically allows; (ii) unauthorized modification of a Product by the State or a third party on the State's behalf; (iii) the combination, operation, or use of a Product with any products not provided by Contractor as a system, or the combination, operation, or use of a Product with any product, data, apparatus or business method that Contractor did not provide; (iv) Contractor's compliance with the State's specifications or requirements; or (v) infringement by a third party Product alone.

EE. STATEWIDE TERM CONTRACT (FEB 2015):

(a) With this agreement, the state seeks to establish a term contract (as defined in Section 11-35-310(35)) available for use by all South Carolina public procurement units (as defined in Section 11-35-4610(5)). (b) The State shall be entitled to audit the books and records of you and any subcontractor to the extent that such books and records relate to the performance of the work. Such books and records shall be maintained by the contractor for a period of three years from the date of final payment under the contract and by the subcontractor for a period of three years from the date of final payment under the subcontract, unless a shorter period is otherwise authorized in writing by the Chief Procurement Officer. Nothing herein shall be construed to require the Contractor to provide to any auditor, designated as described above, any information or data which is the property of a third party or to which access is restricted under an obligation of confidentiality owed by Contractor to a third party.

(c) As used herein, "additional contract terms" means additional terms not otherwise allowed by the "Purchase Orders" clause. Notwithstanding the "Purchase Orders" clause, a purchase order may include additional contract terms but only if and to the extent necessary (i) to comply with a requirement directly related to the work and imposed on the Using Governmental Unit either by law or as a condition of using state or federal assistance, grant, or contract funds, or (ii) for the Using Governmental Unit to impose

(a) Procurement Services (PS) establishes and maintains master State contracts for the benefit of all South Carolina state and local public entities. These contracts allow all public entities both to maximize the State's purchasing power by aggregating their requirements and to benefit from increased efficiencies in the acquisition process. Procurement Services' cost for this central purchasing activity is offset by an administrative fee which each contractor includes in its contract pricing (though not separately itemized or invoiced) and is paid to the vendor by each participating public entity. The contractor collects the fee as a fiduciary for the State and remits the same as calculated in accordance with the clause titled "ADMINISTRATIVE SERVICES FEE – CALCULATION." The price stated in the contractor's bid or proposal must include all amounts necessary for contractor to meet this obligation.

(b) As used in this clause, the term "reporting period" means each full calendar quarter (Jan. -- Mar., Apr. -- Jun., Jul. -- Sep., and Oct. -- Dec.) and any remaining periods less than a full calendar quarter during the term of this contract. For each reporting period, contractor shall report to PS its total sales pursuant to this contract for the period and shall remit the fee to the PS Reports Manager. Payment for each reporting period is due no later than the last day of the month immediately following the end of the reporting period (Example: payment for the reporting period ending March 31 is due April 30). If the amount due for a reporting period is less than \$10.00, no payment is required. The procurement officer will provide contractor an information packet, including a detailed explanation of reporting and payment requirements, within thirty (30) calendar days following contract award. You may contact the Reports Manager at:

(c) Contractor shall submit a usage report for each reporting period, even if no payment is due for the reporting period. At a minimum, each usage report shall reflect the following information for the applicable reporting period: contractor's name, contract number, contract description, reporting period/quarter, total dollar value of sales (excluding sales taxes and showing any adjustments for credits or refunds), total number of units (if practicable), and the number, date, and amount of contractor's check to PS. Unless otherwise specified by the reports manager, the usage report shall be submitted electronically according to instructions in the information packet. If the reports manager requires the contractor to provide a more detailed usage report, the reports manager will work directly with the contractor to determine the appropriate content and format of the report.

MM. PROTECTION OF HUMAN HEALTH & THE ENVIRONMENT:

The State of South Carolina requires all contractual activities to be in compliance with local, state, and federal mandates concerning "protection of human health and the environment". Any contractor doing business with the State will be required to document compliance and to specify prudent practices used by the contractor to address applicable mandates including, but not restricted to "the hazard communication standard" OSHA CFR 1910.1200 (SCRR Article 1,71-1910.1200). "Master Lease") under which lessees will from time to time lease equipment (the "Equipment") sold by Contractor to Using Government Unit under the agreement referenced above (the "Purchase Agreement") from Master Lessor, its successors or assigns, under a lease schedule incorporating the terms of the Master Lease (a "Lease"). The Using Government Unit to whom Equipment is to be delivered under the Purchase Agreement is herein called the "Lessee."

For purposes of removing doubt as to the intention of the parties and to clearly delineate certain rights with respect to the Purchase Agreement, the following is added to the Purchase Agreement, superseding any contrary language therein:

1. It is the express intention of all parties that the Equipment shall be sold to and owned by the Lessee and that each Lease constitute a financing and not a true lease for legal, tax and other purposes.
2. Solely as a convenience to the parties, Master Lessor may issue purchase orders to you on behalf of a Lessee and you shall send your Invoice to Master Lessor, showing Lessee as purchaser. Nothing in such purchase order or any other documentation executed in connection with the Master Lease or any Lease obligates Master Lessor to you or relieves the Lessee of its obligations, if any, under any Purchase Agreement. You will look solely to the Lessee for any and all performance under the Purchase Agreement.
3. Master Lessor has agreed with Lessee to make payments for certain items of Equipment upon their acceptance by the applicable Lessee, but such agreement is solely for the benefit of Master Lessee and the Lessees and neither you nor any other person is an intended beneficiary.
4. The Purchase Order may be used to elect only those options expressly allowed in the Term Contract Solicitation. Possible options might include quantity, item, delivery date, and payment method. Any contract resulting from this Purchase Order is limited to the documents identified in the clause entitled Contract Documents & Order of Precedence.

PRINTED NAME (printed name of person signing above)	DATE SIGNED

Section 11-35-310(35) of the South Carolina Code of Laws reads as follows: "'Term contract' means contracts established by the chief procurement officer for specific supplies, services, or information technology for a specified time and for which it is mandatory that all governmental bodies procure their requirements during its term. As provided in the solicitation, if a public procurement unit is offered the same supplies, services, or information technology at a price that is at least ten percent less than the term contract price, it may purchase from the vendor offering the lower price after first offering the vendor holding the term contract the option to meet the lower price. The solicitation used to establish the term contract must specify contract terms applicable to a purchase from the vendor offering the lower price. If the vendor holding the term contract meets the lower price, then the governmental body shall purchase from the contract vendor. All decisions to purchase from the vendor offering the lower price must be documented by the procurement officer in sufficient detail to satisfy the requirements of an external audit. A term contract may be a multi term contract as provided in Section 11-35-2030."
