Rates to be negotiated as needed.

NOTE: Tipping/Disposal fees to be billed as a direct pass through cost with no mark up

Description:

E Waste removal

Pricing for Chemical, Biological, Radiological, and Nuclear (CBRN) contaminated waste is difficult to establish in advance due to the sensitive nature of the work and limited licensing with specialized companies. Accordingly, all CBRN-related waste handling, transport, and disposal will be negotiated at the time of event.

work and limited licensing with specialized companies. Accordingly, all CBRN-related	waste handling, tran	sport, and disposal v	will be negotiated	at the time of									
event.													
At the time of a disaster, DRC will engage a properly licensed and qualified company to	provide pricing and	I porform the required	d conjicos
