

## **CONTRACT FOR TRUCK BODIES (DUMPS, PLATFORMS, UTILITIES/SERVICE)**

**CONTRACT PERIOD: NOVEMBER 1, 2015 THROUGH OCTOBER 31, 2018**

**Note: The above date reflects the maximum contract period.**

**Prices are firm/fixed through the end of the contract.**

**The vendor who holds the contract for a truck body is responsible for reporting and paying the administrative fee for all purchases made off of their contract. This includes sales made to other vendors purchasing off of the state's truck body contract for use by other state agencies or political subdivisions.**

[Standard Specifications](#)

**VENDOR:** Lee Transport Equipment, Inc.  
P.O. Box 26  
Columbia, SC 29202  
[www.leetransport.net](http://www.leetransport.net)

**TELEPHONE NUMBER:** (803) 799-7860

**CONTACT PERSONS:** Bill Cecil, [bcecil@leetransport.net](mailto:bcecil@leetransport.net)  
Greg Stowers, [gstowers@leetransport.net](mailto:gstowers@leetransport.net)

**VENDOR NUMBER:** 7000050670

**F.E.I.N.:** 57-0468992

The following contract sheets provide the information needed to place orders (base price, options prices, make, model, etc.). The Contractor's bid response can be read by clicking [here](#). Detailed information regarding contract terms, conditions, and specifications are included in the Contractor's response.

### **IMPORTANT SC DOT SPECIFICATIONS:**

**Items bid by Lee Transport Equipment in Lots 1 (Dump Bodies), 2 (Platform Bodies) and 3 (Utility Bodies) meet SC DOT specifications and are approved for contract. All truck bodies bid by Lee Transport Equipment have been approved previously and SC DOT will not require pilot models.**

### **IMPORTANT DELIVERY INFORMATION:**

**If the Truck Body Contractor (Lee Transport) will be installing the body, delivery will be made within 30 days of Lee Transport's receipt of chassis.**

**If the Truck Body Contractor (Lee Transport) will NOT be installing the body, delivery will be made within 45 days ARO (after receipt of order). Please remember that the cost of delivery is included within a 25 mile radius of SC DOT's Equipment Depot location on Shop Road. If delivery is to be outside that radius, a reasonable delivery charge is to be negotiated by the governmental entity and Lee Transport.**

## **Lot 1—Dump Bodies**

**CONTRACT NUMBER: 4400011644**

**TERMS:** Net 30 Days

**DELIVERY:** 30 Days ARO

### **Dump Body – 1-1/2 Cubic Yard**

(For DRW Truck With 60” Cab-To-Axle)

Unit Price:		<b>\$4,985.00</b>
Installation of body and hoist systems	add:	\$2,090.00
Pull tarp assembly not installed	add:	\$ 468.00
Pull tarp assembly with installation	add:	\$ 605.00
Crank tarp assembly not installed	add:	\$ 675.00
Crank tarp assembly installed	add:	\$1,031.00
11’ body in lieu of 9’ (requires 84” cab-to-axle)	add:	\$ 585.00
Amber rotating or flashing strobe light mounted on cab shield	add:	\$ 314.00
36” x 18” x 18” under body tool box installed	add:	\$ 425.00

Vendor Product # Godwin - 184U

Product Category 06530

Inside Width: 78” minimum

Inside Length: 9’ minimum

Body and hoist meet or exceed all specifications

**Dump Body – 5 Cubic Yard**  
(For DRW Truck With 84” Cab-To-Axle)

Unit Price:	<b>\$6,885.00</b>
Installation of body and hoist systems	add: \$2,405.00
Electric drive tarp assembly (Donovan Model 7000ELD) not installed	add: \$ 990.00
Electric drive tarp assembly (Donovan Model 7000ELD) installed	add: \$1,415.00
Pull tarp assembly not installed	add: \$ 475.00
Pull tarp assembly installed	add: \$ 675.00
Crank tarp assembly not installed	add: \$ 675.00
Crank tarp assembly installed	add: \$1,031.00
3 Step “EZ—Step” not installed	add: \$ 150.00
3 Step “EZ—Step” installed	add: \$ 225.00
Air tailgate kit installed (truck must have air brakes)	add: \$ 242.00
Amber rotating or flashing strobe light mounted on cab shield	add: \$ 314.00
Asphalt spreader apron installed	add: \$ 132.00
36” x 18” x 18” under body tool box installed	add: \$ 425.00
Sloping rear tailgate	add: \$ 154.00
Floor, 3/16” Steel in-lieu-of 10 Ga.	add: \$ 275.00
Hydraulic High Lift Tailgate, HEIL model 701-8294 or Equal	add: \$1,285.00
Manual shift pump in-lieu-of air shaft	subtract: \$ 275.00
Cable shift P.T.O. in-lieu-of air shaft	subtract: \$ 575.00

Vendor Product # Godwin - 300U  
Product Category 06530

Inside Width: 84” minimum  
Inside Length: 120” minimum

Body and hoist meet or exceed all specifications

## **Dump Body – 8 Cubic Yard**

(For DRW Medium or Tandem Truck With 84" CA or CT)

Unit Price:		<b>\$7,785.00</b>
Installation of body and hoist systems	add:	\$1,760.00
Electric drive tarp assembly (Donovan Model 7000ELD) not installed	add:	\$ 990.00
Electric drive tarp assembly (Donovan Model 7000ELD) installed	add:	\$1,415.00
Pull tarp assembly not installed	add:	\$ 475.00
Pull tarp assembly installed	add:	\$ 675.00
Crank tarp assembly not installed	add:	\$ 675.00
Crank tarp assembly installed	add:	\$1,031.00
3 Step "EZ—Step" not installed	add:	\$ 150.00
3 Step "EZ—Step" installed	add:	\$ 225.00
Air tailgate kit installed (truck must have air brakes)	add:	\$ 242.00
Amber rotating or flashing strobe light mounted on cab shield	add:	\$ 314.00
Asphalt spreader apron installed	add:	\$ 132.00
36" x 18" x 18" under body tool box installed	add:	\$ 425.00
Sloping rear tailgate	add:	\$ 154.00
Floor, 3/16" Steel in-lieu-of 10 Ga.	add:	\$ 275.00
Hydraulic high lift tailgate, Heil Model 701-8294 or equal	add:	\$1,285.00
Manual shift pump in-lieu-of air shaft	subtract:	\$ 275.00
Cable shift P.T.O. in-lieu-of air shaft	subtract:	\$ 575.00

Vendor Product # Godwin - 400U  
Product Category 06530

Inside Width: 84" minimum  
Inside Length: 144" minimum

Body and hoist meet or exceed all specifications

**Dump Body – 10 Cubic Yard**  
(For Tandem Truck With 108" CT)

Unit Price:		<b>\$10,615.00</b>
Installation of body and hoist systems	add:	\$2,405.00
Electric drive tarp assembly (Donovan Model 7000ELD) not installed	add:	\$1,085.00
Electric drive tarp assembly (Donovan Model 7000ELD) installed	add:	\$1,515.00
Pull tarp assembly not installed	add:	\$ 475.00
Pull tarp assembly installed	add:	\$ 675.00
Crank tarp assembly not installed	add:	\$ 675.00
Crank tarp assembly installed	add:	\$1,031.00
3 Step "EZ—Step" not installed	add:	\$ 150.00
3 Step "EZ—Step" installed	add:	\$ 225.00
Air tailgate kit installed (truck must have air brakes)	add:	\$ 242.00

### Platform Body – 8 Ft.

(For SRW or DRW Truck With 56" Cab-To-Axle)

Unit Price:		\$1,376.00
Installation of body	add:	\$ 420.00
Hoist system – to convert to platform dump body (includes installation)	add:	\$1,885.00
40" high stake sides & rears	add:	\$ 885.00
36" x 18" x 18" under body tool box installed	add:	\$ 425.00

Vendor Product # Knapheide PVMXS-83C

Product Category 06567

Body meets or exceeds all specifications

### Platform Body – 9 Ft.

(For SRW or DRW Truck With 60" Cab-To-Axle)

Unit Price:		\$1,785.00
Installation of body _____	add:	\$ 985.00
Hoist system – to convert to platform dump body (includes installation)	add:	\$2,185.00
40" high stake sides & rears	add:	\$1,175.00
36" x 18" x 18" under body tool box installed	add:	\$ 425.00

Vendor Product # Knapheide PVMXS-93C

Product Category 06567

Body meets or exceeds all specifications

### **Platform Body – 12 Ft.**

(For DRW Truck With 84" Cab-To-Axle)

Unit Price:		\$1,985.00
Installation of body	add:	\$1,200.00
Hoist system – to convert to platform dump body (includes installation)	add:	\$2,185.00
40" high stake sides & rears	add:	\$1,350.00
36" x 18" x 18" under body tool box installed	add:	\$ 425.00

Vendor Product # Knapheide PVMXS-123C  
Product Category 06567  
Body meets or exceeds all specifications

### **Platform Body – 12 Ft. Heavy Duty**

(For DRW Truck With 84" Cab-To-Axle)

Unit Price:		\$2,176.00
Installation of body	add:	\$1,200.00
Hoist system – to convert to platform dump body (includes installation)	add:	\$2,185.00
40" high stake sides & rears	add:	\$1,350.00
36" x 18" x 18" under body tool box installed	add:	\$ 425.00

Vendor Product # Knapheide PVMXS-123C  
Product Category 06567  
Body meets or exceeds all specifications

### **Platform Body – 14 Ft. Heavy Duty**

(For DRW Truck With 108" Cab-To-Axle)

Unit Price:		\$2,323.00
Installation of body	add:	\$1,285.00
Hoist system – to convert to platform dump body (includes installation)	add:	\$2,185.00
40" high stake sides & rears	add:	\$1,450.00
36" x 18" x 18" under body tool box installed	add:	\$ 425.00

Vendor Product # Knapheide PVMXS-143C  
Product Category 06567  
Body meets or exceeds all specifications

**Platform Dump Body – 14 Ft.**  
(For DRW Truck With 108” Cab-To-Axle)

Unit Price:		\$7,717.00
Installation of body and hoist systems	add:	\$2,500.00
40” high stake sides & rears	add:	\$1,450.00
36” x 18” x 18” under body tool box installed	add:	\$ 425.00

Vendor Product # PJ’S-1496

Product Category 06567

Body and hoist system meet or exceed all specifications

**NOTE:** THE 8’ – 14’ FLAT BEDS SHALL HAVE DOT BULKHEADS W/ VISIBILITY OPENING.  
ALL BODIES WILL HAVE RECESSED LIGHTING.

### **Lot 3—Utility Bodies**

**CONTRACT NUMBER: 4400011642**

**TERMS:** Net 30 Days  
**DELIVERY:** 30 Days ARO

#### **Utility Body – 1/2 Ton** (For 40" Cab-To-Axle SRW)

Unit Price:		\$2,415.00
Installation of body	add:	\$ 495.00
Full height body in lieu of low profile	add:	\$ 275.00
Flip lid body in lieu of low profile	add:	\$ 600.00
Ball hitch bumper, 5,000# capacity	add:	\$ 56.00
Interior compartment lights installed	add:	\$ 450.00
Kelvar spray bed liner in cargo area	add:	\$ 350.00
Ladder bow set	add:	\$ 500.00
Cab over deluxe ladder/pipe/material rack	add:	\$ 870.00
Body painted or powder coated AT THE MANUFACTURER	add:	\$ 50.00
Body primed only AT THE MANUFACTURER	subtract:	\$ 800.00

Vendor Product # 680LPJ (Knapheide)  
Product Category 06510  
Body meets or exceeds all specifications

#### **Utility Body – 3/4 Ton** (For 56" Cab-To-Axle SRW)

Unit Price:		\$3,590.00
Installation of body	add:	\$ 892.00
Full height body in lieu of low profile	add:	\$ 395.00
Flip lid body in lieu of low profile	add:	\$ 949.00
Ball hitch bumper, 5,000# capacity	add:	\$ 59.00
Interior compartment lights installed	add:	\$ 450.00
Kelvar spray bed liner in cargo area	add:	\$ 575.00
Ladder bow set	add:	\$ 500.00
Cab over deluxe ladder/pipe/material rack	add:	\$1,185.00
Body painted or powder coated AT THE MANUFACTURER	add:	\$ 50.00
Body primed only AT THE MANUFACTURER	subtract:	\$ 800.00

Vendor Product # 696LPJ (Knapheide)  
Product Category 06510  
Body meets or exceeds all specifications

**Utility Body – 1 Ton (56” CA)**  
(For 56” Cab-To-Axle DRW)

Unit Price:		\$3,095.00
Installation of body	add:	\$ 620.00
Full height body in lieu of low profile	add:	\$ 251.00
Flip lid body in lieu of low profile	add:	\$ 625.00
Ball hitch bumper, 5,000# capacity	add:	\$ 59.00
Interior compartment lights installed	add:	\$ 450.00
Kelvar spray bed liner in cargo area	add:	\$ 575.00
Ladder bow set	add:	\$ 500.00
Cab over deluxe ladder/pipe/material rack	add:	\$1,185.00
Body painted or powder coated AT THE MANUFACTURER	add:	\$ 50.00
Body primed only AT THE MANUFACTURER	subtract:	\$ 800.00

Vendor Product # 696D54LPJ (Knapheide)  
Product Category 06510  
Body meets or exceeds all specifications

**Utility Body – 1 Ton (60” CA) SRW**  
(For 60” Cab-To-Axle SRW)

Unit Price:		\$3,609.00
Installation of body	add:	\$ 620.00
Full height body in lieu of low profile	add:	\$ 251.00
Flip lid body in lieu of low profile	add:	\$ 625.00
Ball hitch bumper, 5,000# capacity	add:	\$ 59.00
Interior compartment lights installed	add:	\$ 450.00
Kelvar spray bed liner in cargo area	add:	\$ 526.00
Ladder bow set	add:	\$ 500.00
Cab over deluxe ladder/pipe/material rack	add:	\$1,185.00
Body painted or powder coated AT THE MANUFACTURER	add:	\$ 75.00
Body primed only AT THE MANUFACTURER	subtract:	\$ 850.00

Vendor Product # 6108LPJ (Knapheide)  
Product Category 06510  
Body meets or exceeds all specifications

### **Utility Body – 1 Ton (60” CA) DRW**

(For 60” Cab-To-Axle DRW Narrow Axle)

Unit Price:		\$3,757.00
Installation of body	add:	\$ 985.00
Full height body in lieu of low profile	add:	\$ 425.00
Flip lid body in lieu of low profile	add:	\$ 925.00
