Notable Information

Marketbasket items: Pricing for marketbasket items shall remain firm during the initial term and through the first renewal. Some contractors opted to provide alternate pricing for items in the market basket. The original item for which a substitution has been made shall not be available from that vendor under the contract.

Discount Off List: Contractors may sell the brand items in the lots awarded to them. Discount off list applies to the remaining items in the catalog. Excluded from the contract are the items chosen by the contractor to be substituted in the market basket.

Further Competition: Using Entities are encouraged to seek better pricing (or competition) for items under this contract.
