

**STC for Lamps and Ballasts**

**Contract Period:**  
09/08/2017 – 9/07/2022

[Contract Terms and Conditions](#)

Solicitation # 5400013113

Last Updated: 07/21/2020

Procurement Manager:

DeAna Reed-Sharpe  
(803) 896-6389  
[drsharpe@mmo.sc.gov](mailto:drsharpe@mmo.sc.gov)

**IMPORTANT NOTE:** Due to the evolution and improvements in technology, a number of the items in the Market Basket have been updated to newer versions. Substitute, like items, were allowed in some of the Lots. For example, Delviro brand was an approved substitute.

All applicable items in the manufacturer's catalog will be included in the contract at the same discounted rate offered during the reverse auction event and noted below.

Lot A Phillips

Lot B Sylvania

Lot C General Electric

Lot D – Retrofit Service for Philips, Sylvania and General Electric Products – environmentally friendly, sustainable, green, alternate lighting solutions and options which are compatible with items in Lots A, B and C. Recycling of Lamps & Ballasts is also offered in this Lot. Details with the vendor information below.

[Contract #4400016972](#) and Market Basket

**Recycling Information:**

SUPPLY-043 – Prepaid box that would hold 30 T-12 lamps or 72 T-8 lamps (approximately .68 per T-8) \$49.23 each

SUPPLY-065 – Prepaid box that would hold 68 T-12 lamps or 146 T-8 lamps (approximately .55 per T-8) \$79.53 each

SUPPLY-144 – Prepaid box/pallet that would hold up to 800 T-12 or 1600 T-8 lamps (approximately .58 per T-8) \$934.16 each

SUPPLY-193 – Prepaid 6.5 gallon lamp ballast recycling pail – Holds 66 pounds of magnetic and electronic lamp ballast \$112.35 each

8' lamp boxes are also available. They offer "bulk" recycling, based on need, and will provide quote for this service.

Pricing includes the container(s), shipping, recycling service and on-line access to a report of amounts of reclaimed materials/chemicals resulting from the recycling process. The pricing also reflects the same discount as listed by Graybar in Lot D of Contract 4400016972.

[Contract #4400024366](#) and Market Basket

**Recycling Information:**

Each recycling project is priced based on different factors (per each, per pound, per drum). We offer it as a value-added service. Border States can pick up the material or it can be dropped off.

Please contact Border States for a quote. Pricing is based on several factors--each individual customer, if the project originally was sold by Border States (new lamps/fixtures), if the recycling fee was included in the project cost, and how far the customer is.
