NOTE: State Agencies must use Contract 4400014494 (Sedan-4 Hybrid) when purchasing a Sedan-4 Intermediate Class Vehicle per South Carolina Code §1-11-310, Part H, and the Energy Policy Act (EPA) of 1992.

South Carolina Code §1-11-310, Part H states: "Preference in purchasing state motor vehicles must be given to hybrid, plug-in hybrid, biodiesel, hydrogen, fuel cell, or flex-fuel vehicles when the performance, quality, and anticipated life cycle costs are comparable to other available motor vehicles."

The Energy Policy Act of 1992 established regulations requiring state fleets to acquire Alternative Fuel Vehicles (AFVs). State Fleet Management monitors the state's fleet acquisitions for compliance, and provides the required annual report to the US Department of Energy.

Questions regarding this policy should be directed to State Fleet Management at 803-737-0668.
