**NASPO ValuePoint Cooperative
Purchasing Organization**

**South Carolina - Participating Addendum
for #MA087**

(Use this Participating Addendum as you would a Statewide Term Contract)

WALK-IN BUILDING SUPPLIES

**LOWE's Home Centers, LLC
State Contract # 4400017230
Maximum Contract Term 10/02/2017 to 07/31/2022**

The WSCA Walk-In Building Supplies and Related Material / Walk-In Carpentry Supplies / Walk-In Home Improvement Supplies Contract #MA087, issued by the State of Utah, Lead State, is effective for use by the State of South Carolina users from October 2, 2017 to July 31, 2022. The State of South Carolina offers the contract for use by all State Agencies, political subdivisions, and higher and technical education institutions of the State of South Carolina. Entities shall use these contracts as they would a Statewide Term Contract, although use is not mandatory (therefore 10% Rule will not apply).

This contract provides for a **7% DISCOUNT** to the State and the convenience and flexibility of a walk-in, same day solution for access to materials, equipment and supplies. The 7% discount will be applied to purchases at the point of sale when presenting a Lowe's- issued identification key fob. Information about key fobs, and a link to apply for them, can be found on page 2. **Payments under this agreement are to be made at the point of sale with a procurement/purchasing card only (no purchase orders).**

Exclusions: This Participating Addendum excludes the purchase of Lamps and Ballasts; Paper Towels, Toilet Paper and Dispensers; and Can Liners; there are other Statewide Term Contracts for the purchase of these specific items. The Participating Addendum also excludes any other supplies that are similarly covered by separate Statewide Term Contracts. Please note that the Statewide Term Contracts for such products may require a minimum quantity order or may not meet a particular or exceptional operational need of a using organization (Examples: can liner that is exceptionally thick/strong or of an unusual color or size, paper products that will not fit a particular dispenser). In such situations, using entities may use this agreement to complete purchases to meet their specific operational needs. This Participating Addendum also excludes the use of Lowe's Business Credit programs and plans.

Lowe's NASPO Contract # 4400017230 offers the state of South Carolina same-day purchasing solutions, saving time and money.

Contract Overview:

- Stretch your MRO budgets using the contract. The 7% discount tied to the contract is a point of purchase discount. Savings are realized at the register thereby extending your budget.
- Savings are reflected on your cash register receipt so discounts are instantly auditable.

How do I utilize the contract in the store?

- The discount is triggered by scanning a key fob, much like that used by some grocery chains. The key fob (register and order below) is required to access the NASPO contract discount.
- Check out through any register in the store.
- The cashier can scan your key fob anytime during the transaction, but it must occur before the transaction is tendered.
- The Commercial desk located near the lumber door provides dedicated staffing to service the needs of professional and government customers.

Contract registration and Key Fob order placement.

- Entity managers and those authorized to register their eligible agencies with the contract can register to participate and order key fobs at:

www.lowesforpros.com/naspo.

- From the drop down menus "Select Your State" - **South Carolina** and your **Agency or political subdivision**. If you do not find your Agency or political subdivision or it is not reflected correctly, please contact the Contract Manager and it will be corrected.
- After making the selection above, complete the user portion of the registration site and click "Submit." Key Fobs take 2 weeks for delivery.
