The State entered into contract with the following vendors for MRE's (Meals Ready to Eat) and Self Heating Meals. The award was made to the two lowest responsive and responsible vendors however there was only one vendor for Self Heating Meals.

Upon activation in times of emergency, the Materials Management Office, as established in the State Emergency Operations Plan operates Emergency Service Function 7, Resource Support. The Mission of ESF-7 is to provide or coordinate the provision of services, equipment and supplies to support expedient operations associated with a disaster or emergency; and for the approval and acquisition of equipment and supplies not available through normal purchasing channels and ordering timeframes.

**Upon activation, purchase orders may be issued to support emergency operations. Delivery times are critical when conducting emergency operations. The SCEPD will notify contractors at Operating Condition 4 (OPCON 4) – Possibility of Emergency or Disaster Developing.**

**This contract is not limited for use only during support of emergency operations. It is available for use at any time during the contract.**
